

Today in the Quad-Cities Agreement on Gitcho sewer fees

A proposal for settlement of court suits involving \$3,715 in delinquent sewer rental fees which the city alleged were owed by Boris C. Gitcho, owner of the Corral Liquor Store and a Granite City real estate dealer, was approved by the Granite City Council Monday night.

Irvin Slate Jr., assistant city attorney, told the aldermen that under terms of the settlement the city can expect to recover \$3,300 of the total amount, or 87 per cent, of the disputed fees.

The settlement, he said, calls for payment of \$2,276 by Gitcho, plus \$242 in accumulated court costs, and the filing of new suits against three other property holders which Gitcho's attorneys maintain are responsible for the balance of the delinquent fees.

Gitcho has maintained that he does not owe the total amount of sewer fees charged against him because some of these fees were to be paid by property owners who bought residential property from him under contracts for deed.

Slate said separate suits would be filed to collect about \$500 from several property holders who acquired property from Gitcho, to collect about \$665 from another property holder and another suit against an individual who owes \$104.

Only objection to the proposal was Alderman Emerald Dawes of the Seventh Ward who has spearheaded objections against the construction of a tavern by Gitcho at 3304 (near) Nameoki Road, near his present liquor store.

"Whenever a little guy owes, he has to pay 100 per cent, but when it's somebody like Gitcho, he settles for a percentage," Dawes said.

The settlement proposal was approved by a 9 to 1 show of hands during a caucus session that preceded the regular council meeting, with Dawes casting the negative vote.

Snow outlook

Heavy snow warning today and tonight. Accumulation of four inches or more expected. High today about 30. Low tonight in the mid 20s. Cloudy Thursday with snow ending early in the day. High about 20. Weekend high temperatures ranging from the upper 30s to upper 40s; lows in the upper 20s and low 30s.

TRADITIONAL PUMPKIN PIE is served to members of the "More the Merrier" senior citizens club at the annual Thanksgiving dinner in the Senior Citizen's Center, 1918 Edison Ave. The members eat turkey,

dressing and all the "fixin's." From left, cutting the pumpkin pies, are Mrs. Edna Wheat, Mrs. Ruby Obranovich, and Mrs. Ivolue Streetmaker.

Road closing fight looms

Despite a warning from Madison County Superintendent of Highways Lester Miller that he will initiate legal action today if Franko Lane north of Mitchell is not opened to traffic, Chouteau Township Highway Commissioner James Estes told the Press-Record he intends to keep the road closed and may initiate proceedings to legally vacate the road, if necessary.

Estes first said yesterday that he intended to open the township road to the public, but added "I've got to fix it up before I open it. It's in pretty bad shape. I don't want to have any more lawsuits."

He said he would have highway crews repair the street "when we get around to it. We are getting our snow removal equipment ready now," he said, adding that the crews are busy and do not have time to fix the street.

Later, he said he plans to see the farmers and try to determine what will have to be done to keep the street closed. "I'd sure hate to open it," he said, asserting that the road has become a place for people to dump trash.

"Everything happens out there. The farmers are afraid to drive their tractors around there because of all the shooting, rabbit hunting, parties and other things. People are afraid to go down there," Estes commented.

He first closed the road Nov. 10 by placing a cable across it. "Some farmers wanted it closed. They asked most of the time up there, and they said they didn't mind it. Many told me they would be glad to have it

closed off," the highway commissioner related.

He said the residents requested that he department put "dead end" signs at both ends of the street to keep people from turning around in their driveways, and his department complied.

Several nearby residents complained to Miller that the

road had been closed and that it was an important link for those living in the northern Mitchell area, between Old Alton Road and Village Road Three.

On Nov. 14, Miller contacted Estes to advise him he could not close the road without formally vacating it. He said Estes assured him the road would be opened.

In a letter dated Monday to Estes, Miller wrote, "Today I inspected both ends of Franko Road and find that the cable is

(Continued on Page 15)

Bumper crop of Santa hopefuls

There may be only one real Santa Claus, but the Quad-City area is full of persons who would like to assist him in his work, the Illinois State Employment Service discovered after Monday's issue of the Press-Record was distributed.

On the front page Monday was an article reporting that the state employment service was seeking a Santa Claus for a client. Within 30 minutes of when the first issue of the newspaper was sold, the telephone lines at the employment service began ringing, with the callers opening the conversation with a jolly "Ho, ho, ho," as had been suggested in the article.

Between 1:30 p.m. and 5 p.m. Monday, 20 applications for the job had been submitted, 15 starting with the Santa phrase, according to Jim Bowman of the employment service.

Another 10 applicants poured in when the office opened Wednesday afternoon, including one gentleman, bearing a remarkable resemblance to St. Nick, himself, who has worn

Civic center plan clouded by top court

Plans for a \$15 million civic center in the Madison-St. Clair Counties area were placed under a cloud yesterday when the Illinois Supreme Court ruled the enabling law is unconstitutional.

State Senator Sam Vadala, of this district, main sponsor of the legislation, said he will introduce similar bills but meeting the court's stipulations during the spring of 1976.

The law creating the Exposition and Performing Arts Authority for this region and providing construction bond financing also authorized funds for existing civic center authorities in Rockford and Peoria (\$15 million each), Aurora (\$10 million) and Springfield (\$5 million).

In a court test initiated to verify the financial procedure prior to sale of bonds, the top Illinois court ruled negatively.

It said the new law was technically defective because it was drawn along the same lines and with the same philosophy, that went into the law authorizing McCormick Plaza in Chicago.

John Paul Davis, Southern Illinois University at Edwardsville legal counsel, said the ruling needs to be studied and that it might indicate that the Madison-St. Clair Counties center can proceed. The local

portion of the law originates a program and doesn't conflict with any existing laws, he said.

The 18-page verdict opposed the use of a single new law to amend the previous laws setting up individual exposition hall authorities.

Vadala favors SUE as the site of the proposed center for this region, but the 12-

member board appointed by the governor had not yet reached a site decision.

The Supreme Court said the new law is not special legislation, but is of benefit to the entire state. It also rejected arguments that the law is faulty because of Gov. Daniel Walker's revisions through

(Continued on Page 15)

Commercial zoning for Pontoon Rd.

The Granite City Council voted Monday night to rezone both sides of Pontoon Road between Nameoki Road and North Street from an R-2 residential classification to R-1 commercial zoning.

The council's action was taken on a recommendation from the Granite City Plan Commission that the block be rezoned, since it already is rapidly becoming a commercial area.

There are only two homes on the blocks and the Plan Commission members said they felt the zoning change would benefit the homeowners, rather than hurt them.

Consideration of rezoning the block began after Fred Bolliger, 1234-26 Pontoon Road, requested a C-1 classification for an upholstery shop in that block. He wished to move his place of business from 1508 Pontoon Road and to work in his upholstery shop part-time.

The Plan Commission recommended approval of Bolliger's request, with the further recommendation that the whole block be rezoned to conform.

The City Council's action came on a motion by Seventh Ward Alderman Emerald Dawes to rezone the whole block and the council approved unanimously.

The council was told that the Plan Commission had tabled action on several requests from residents of the Benjamin Subdivision for annexation until all other residents of the subdivision can be contacted.

Several residents of the subdivision applied for annexation after a fire destroyed a home there while several fire departments refused to answer the alarm, since the subdivision is not in any fire district. The Granite City Fire Department finally answered the alarm, but the fire already had gutted most of the home.

Mayor Paul Schuler told the council that he has assigned manpower employees to go door-to-door in the subdivision to discuss possible annexation with the residents. Schuler said he hopes all the residents will cooperate so the entire subdivision can be annexed to the city and can then be offered fire protection.

Since the Plan Commission will not hold a December meeting, the annexation efforts are not expected to be considered until January.

In other zoning action, the

Parade Friday

Whether or not deep snow arrives here by Thanksgiving, Santa Claus promises to make his traditional appearance Friday morning in the Quad-Cities.

The jolly old gentleman will travel through the four community areas on a musical float pulled by an old-time fire engine, greeting children at several stops enroute from Venice to the Nameoki area and back to his seasonal headquarters in Downtown Granite City.

Santa Claus will be welcomed upon his arrival at the Venice City Hall at 9 a.m. Friday by Officer Friendly Glenn Wright of the Granite City Police Department and "Sgt. Otto the Auto," a novelty talking vehicle operated by the Madison Police Department.

As Santa parades along Broadway, Madison Avenue and Nameoki Road, he will have his entourage at various points

Scout Council post to Leo Schermer

Leo Schermer of Granite City was elected vice-president of finance and W. F. "Mick" Strange, Madison, was re-elected vice-president for Exploring at the annual business meeting of the Cahokia Mound Council, Boy Scouts of America, Monday evening.

Dave Giese, Granite City, was re-elected treasurer of the council by the 95 institutional representatives and council members-at-large attending the meeting at St. John's United Church of Christ, 2901 Nameoki Road.

Schermer is a partner in Schermer Brother's Market and Garden Shop in Madison. Strange is photo-editor of the Granite City Press-Record and Giese is vice-president and cashier at the American National Bank.

Jack Vance of Edwardsville was elected president. B. Ray Grisham of Granite City is the retiring president.

Mrs. Norma Rinderer of Highland was elected vice-

president of Cub Scouting, Paul Tucker, Highland, was elected vice-president and Boy Scoutmaster, and Leland Eckert of Collinsville will serve as council commissioner.

Council executive board members elected were Mrs. Phyllis Brusatti, Maurice Dailey, B. J. Davis, Mrs. Patricia Poole, Al Froemling, Giese, Grisham, Paul Halbert, G. Rollin Henn, Henry D. Karandjoff, Norman Kinder Jr., Dr. Thomas Layloff Jr., Carl Mathias, Reginald Mennerick, Franklin Mercer, James Pohlman, Bruce Rottler, Leo Schermer, Walter C. Sparks, G. H. Sternberg, and Mrs. Mary Tarpoff, all of Granite City.

Other board members elected were Chris Kacaloff, Richard Spillars and Strange, Madison; Lou Hobbs, Leland Eckert, Al Gerstenacker and David Raffaele, Collinsville; Mrs. Elaine Hodger, Mrs. Rinderer, Wilfred Hollinger, Russ Hoff-

Truth in Action group to reinstate former members

The Executive Committee of the Nameoki Township Truth in Action group has voted to amend its membership rules to allow former members, who have been dropped for non-attendance, to return to the committee.

The vote was taken to amend the rule by which members are dropped for not attending consecutive meetings. A second vote then was taken to allow former members to rejoin the Executive Committee.

The group decided to enter a marching unit and a float in the Quad-City bicentennial parade on July 3, 1976, and to notify the parade committee of its intent to participate.

It also passed a resolution endorsing the Hillside Drainage Plan recently completed by the Southwestern Illinois

Metropolitan Area and Regional Planning Commission.

Louis Whitsell suggested that candidates for political office who intend to file for candidacy before the Dec. 15 deadline should be screened by the committee before that date. The committee decided that the candidates can be screened after they file before endorsements are made for the March 16 primary election.

Mrs. Helen Hawkins announced she will attempt to regain the Democratic Committeeman post in Nameoki Precinct 5, from which she resigned when she became health officer for the township.

Whitsell clarified statements that the Madison County has not received some available federal funds because it does not have a Department of Public Works.

He said a grant offered to St. Louis County and cited as an example of the available funds actually was the same as the revenue sharing being received here.

The Executive Committee accepted the applications of Lloyd Miller, Donald Patrick and Mike Ropac as general members on the citizens' committee.

THEFT FROM AUTO
The left rear window was pried out of its molding to gain entry to the car of Brad Bain, 2103 Manley Ave., and to steal a citizens' band radio and microphone, worth a total of \$150, it was reported at 7 a.m. Monday.

Hinson, Barks given national Legion duties

William Barks of Granite City has been appointed a member of the American Legion's national committee on membership and activities, it was announced at a meeting of the executive committee of the 22nd District during the weekend at Belleville. Kenneth Hinson of Madison has been named to the legislative committee.

Other area Legionnaires appointed to national committee membership include: Herbert Neff of Smithton, district commander, activities and membership; Olaf T. Jensen of Belleville, national security; James Menendez of Fairmont; Lindsey of Wood River, foreign relations.

Discussed at the meeting were gifts to hospitalized war veterans, the cancer program and other seasonal activities. A program of providing gifts and entertainment for veteran patients at Alton State Hospital was scheduled for Sunday, Dec. 21.

Participation in the cancer eradication program established by the American Legion is well under way; contributions have topped \$40,000, it was noted.

The next meeting of the district will be held at the Venice-Madison American Legion Home Jan. 10 at 2 p.m.

TRY A PRESS-RECORD

GC delays acceptance of donated buildings

Granite City Council members deferred action Monday night on a motion to accept the donation of two buildings on the southeast corner of Delmar Avenue and Nineteenth Streets, proposed by some city officials as the location of a municipal parking lot.

The action followed an offer by Alfred M. Frager of Maryland Heights, Mo., to give to the city the building at 1300 Nineteenth St. which was partially damaged Aug. 13 by a fire that destroyed the adjoining building at 1302 Nineteenth St. Frager informed the council that the property has been appraised at \$18,000 for the land and \$17,000 for the building, a total of \$35,000.

Frager said, however, that in making the gift to the city "I should like to have the current property tax waived."

After Frager's letter was read to the aldermen, City

Attorney George Filcoff submitted a recommendation that the council accept the donation of the building at 1302 Nineteenth St., offered earlier by Brides World, Inc., St. Louis. That offer had been referred to Filcoff for a recommendation after it was made a month previously.

Filcoff's recommendation

suggested the council accept the 1302 Nineteenth St. property contingent upon the donation of the other building at 1300 Nineteenth St.

The fire on Aug. 13 destroyed the building at 1302 Nineteenth St. which housed the Dorian Bridal Shop, and severely damaged the adjoining corner building which was vacant at

that time but had formerly housed a Factory Outlet women's clothing store. The fire did not affect the Factory Outlet shoe store at 1304 Nineteenth Street, which is not involved in the current transactions.

The donation of the Dorian Shop building was offered with the understanding that the city would pay the cost of razing the fire-damaged building at an estimated cost of \$1,500. Value of that land, after razing the building, was estimated at \$6,000.

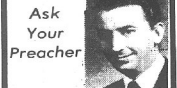

A motion to accept both pieces of property as donations was made during the discussion, but later was withdrawn when some aldermen questioned the amount of taxes involved in Frager's request to waive "current taxes" if the building is accepted.

On a motion by Alderman Gerald Parmley, the matter was referred back to Filcoff to check into the amount of taxes involved and to make a new recommendation to the council in its next meeting.

Man, 30, found wounded at home

A 30-year-old Granite City man was found by police officers at his home bleeding from the right wrist and a stomach wound at 9:20 p.m. Tuesday. He was taken by ambulance to St. Elizabeth Hospital and admitted.

Friends said the man had been depressed lately and twice before was restrained from cutting himself with a knife and broken glass.

By KEN THOMPSON
Press-Record Staff Writer
Dennis Locandro, 3242 Kilarney Drive, who last year introduced the "Flying Saucer" machine to this area, has teamed with Joe Dickie and Norman "Sonny" Past, both of Granite City, in creating what they believe to be "the ultimate" in custom designing and building of their careers — "Jaws".

"I incorporated the idea while watching the movie with the same title," Locandro told the Press-Record Tuesday morning, "and then went home to put it on paper with the thought of building one with wheels instead of a shark that terrorizes people."

Locandro presented his idea to Dickie and Past, and "this is the end result," he said. "The machine has been

leased to Promoter Ray Forner of Kansas City, Mo., for display at 10 custom auto shows around the country, starting this weekend at St. Louis' Kiel Auditorium for the International Custom and New Cycle and Van show.

"Jaws" is an almost exact replica in appearance of the shark shown in the movie, the creators believe.

It measures 21 feet in length, is 7 1/2 feet tall, and is powered by a Volkswagen engine. Sitting on a hand-built chassis of square tubing, the body is formed of fiberglass molding around styrofoam.

It has its own steering box, and the steering wheel is made of grain wood set on flat steel handle bars. The bars extend downward through front forks, made from 1931 Ford rear end parts, to dual wheels which resemble those used on Top Fuel Class drag racers.

Its eyes are reflector lights from the roof of a truck. The full-fin taillights consist of at least eight lights which blink up and down in sequence, adding further motion.

The body itself moves up and down about one foot on hydraulic pumps from an automobile, convertible top motor assembly.

The seat is also molded from steel tubing and enhances the machine's red and pink velvet interior upholstery.

The exterior of the body is highlighted by pearl and fluorescent paint under a coat of clear lacquer. Its gross weight is estimated at 1,500 pounds.

Locandro, before returning here from California, was employed on the West Coast with Barris and Winfield Enterprises, and was instrumental in planning and building several custom machines — a Thunderbird for Sammy Davis Jr., bubble cars for Woody Allen's movie "Sleeper"; the Batmobile; Bob Hope's golf cart; and a limousine for use in a movie on John F. Kennedy's assassination.

Dickie, originally from Arkansas, came here 13 years ago and has been in auto body repairing most of his life.

Past was a plumber before taking up the body repair trade 10 years ago. Estimated by the trio to cost of \$25,000, "Jaws" — they hope — will spark a major manufacturer to contract for them to build scaled-down replicas for model building kits to be placed on the open market.

NIKOLAI & RAGGAMUFFIN Mime show will be presented Wednesday, Dec. 3, at 9 a.m. in Dunbar School and 10:15 a.m. in Louis Baer School. Presenting the program will be Christine Ivicich and her brother, Steven Ivicich.

Nikolai & Raggamuffin Mime show in Madison

The Nikolai & Raggamuffin Mime show will be presented at 9:30 a.m. at the Dunbar School Wednesday, Dec. 3, and at Louis Baer School at 10:15 a.m. The performance is sponsored by the Humanities program and will be performed for all students in the fourth, fifth and sixth grades. The program is made possible through a grant from the Illinois Fine Arts Council. Nikolai, whose real name is Steven Ivicich, is a former student of the Etienne Decroux School of Mime in Paris where Marcel Marceau received his training. Nikolai also conducts seminars and workshops in mime techniques. He will have on his program his sister Christine Ivicich, a professional dancer in St. Louis. Bernard Long is principal of Dunbar School and Bob Barnhart is principal of Louis Baer School. Mrs. Marguerite Connole is director of the Humanities Program in the Madison Schools.

\$5,500 loss in garage fire

Granite City firemen are investigating the cause of a fire early this week which destroyed a garage and caused damage to the rear of four nearby houses. The fire started in the garage of Tom Skerle, 1640 Olive St., and destroyed the \$2,000 garage and tools and equipment worth about \$3,500 inside. Skerle is a carpenter contractor and had many of his tools stored in the garage.

The intense heat damaged the rear of Skerle's home and three neighboring homes. Other houses damaged were those of Ron Buckingham, 1644 Olive, Charles Wilson, 1646 Olive, and Maggie Buckingham, 1648 Olive.

Pending further investigation, firemen have listed the cause of the fire as probable vandalism. Firemen also removed a smoldering couch from the home of Earl Western, 2407 E. 24th St., early this week. The family reported returning home to find the house filled with smoke and the couch smoldering. Damage was limited to the \$300 couch, firemen said.

7 recovering after surgery
Patients at St. Elizabeth Hospital who have undergone major surgery since Monday: Terrell Cruz, 837 Niedringhaus Ave., Pat A. Chamberlain, Collinsville; Hattie D. Jones, 720 Twenty-eighth St.; DaOmme Chenault, 4016 Vessel Ave.; Rube Payne, Colonial Haven Nursing Home; Patricia Schneider, St. Louis; William Gathright, 202 Watson St.

News notes

New auto sales rose 33 per cent Nov. 11-20 from the 1974 level; the 252,942 figure is 13 per cent below mid-November 1973 and 17 per cent below the 1972 period.

A detailed airport briefing has been set for Dec. 2 by Transportation Secretary William T. Coleman Jr., who has invited federal legislators from Illinois and Missouri and also the various airport authorities in the St. Louis area. A public hearing is set for Dec. 18 in St. Louis.

Over-the-counter sale of 1976 passenger license plates will begin Monday, Dec. 1, at the four Quad-City banks.

Arrest warrants were issued Monday for six St. Clair County residents on charges of welfare fraud. Many additional cases are being prepared for prosecution — affecting Madison, St. Clair and Monroe Counties — and from now through Jan. 12 persons with unreported income can voluntarily correct their earnings record at 10 Collinsville Ave., East St. Louis, without penalty.

The Clark Bridge over the Mississippi River at Alton reopened at noon today after bridge deck improvements.

The State Board of Education decided 11-3 yesterday to pay school districts additional funds over those designated in Gov. Walker's veto of state aid portions. An added \$2 1/2 million a month is to be sent. The governor called it reckless and hinted he may file suit, but Supt. Joseph M. Cronin said the board's decision may prompt legislators to appropriate more aid.

Both Treasurer Alan Dixon and Secretary of State Michael Howlett asked yesterday for Democratic backing as governor. Lt. Gov. Neil F. Hartigan the previous day said he will seek the nomination as secretary of state. Apparently slatemakers want Dixon to run for lieutenant governor, but he says only the governor and secretary of state offices are more important than his present post. Gov. Daniel Walker denounced slatemaking as "morally wrong and bad for the people."

SUFFERS MINOR INJURY
An accident at 20th Street and Cleveland Boulevard at 9 p.m. Tuesday, involved autos operated by Carolyn M. Garner, 3869 Rodney Ave., who was issued a ticket charging failure to yield the right of way, and Wanda J. Crow, 2315 Logan Ave., who reportedly sustained a minor injury.

NAMEOKI-28TH ACCIDENT
A two-car collision Tuesday at Nameoki Road and 28th Street, resulted in Mrs. Lorene E. Pare, 3261 Carlson Ave., sustaining a minor injury. Driver of the second car was Earl M. Stout, 2821 E. 25th St.

DEALER ADVISORY COUNCIL membership certificate is presented to Harold Wheatley, left, vice-president of the Comfort Air Conditioning & Heating, Inc., 3708 Pontoon Road. He was selected as one of 100 air conditioning and heating contractors nationwide to become a member of the Humid-Aire Dealer Advisory Council during a meeting in Chicago. The presentation is made by Raymond E. Westlund Jr., president of Humid-Aire Corp. of Chicago.

GC groups granted charters

The state of Illinois has granted five corporation charters to Granite City groups, Secretary of State Michael J. Howlett announced this week.

Three of the charters are for domestic profit corporations — The Hodge Agency, Inc., Chupata Enterprises, Inc., and Fuchs & Sons Construction Supply Co.

The Hodge Agency is to operate a general real estate and insurance brokerage and agency business in the Crossroads Plaza complex. Charters are Viola Hodge and William G. Hodge, 216 Carlson Ave. William's father, Orville Hodge, also will be associated with the business. Correspondent is Lueders, Robertson and Konzen, attorneys, 1929 Delmar Ave.

Week stresses city-farm link

The nation's 21st observance of Farm-City Week is under way. Traditionally, the period includes Thanksgiving Day.

General purpose is to promote better understanding between rural and urban people by making them more aware of each other's special problems, and to develop realization that they are interdependent.

The National Farm-City Council, with headquarters in Chicago, selected "A Declaration of Interdependence" as the theme for the 1975 observance. The Council explains the theme as a "statement of the necessity of farm-city cooperation in preserving the private enterprise system; working for wider public understanding of how the U.S. economic system functions; looking to the private sector rather than to government for solutions to economic problems; upholding the economics teaching in the nation's schools, and restoring confidence in American institutions."

Slate Jr., attorney, 2037 State St., is correspondent.

Two charters also have been issued to not-for-profit corporations. Quad-City Children's Clinic, Inc., 2945 Madison Ave., was chartered by Dr. George T. Wilkins, C.A. "Bud" McMillan Jr. and Vasil Efimoff as a charitable corporation.

The corporation was established to process and handle federal funds in connection with the Women, Infants and Children's informational and nutritional program. Planning for the program is underway.

Also granted a not-for-profit corporation charter was the District Number 9 Field & Stream Club, 2450 Waterman Ave., chartered by John A. McClain, G. L. Reid and Theodore Vrenick as a recreational group.

Correspondent is Irvin C. Slate Jr., attorney, 2037 State St.

The state also has accepted an amendment to the charter of Central State Electric Co., Inc., a Delaware corporation, Dailey & Walker, attorneys, Niedringhaus and Edison avenues, are correspondents.

Mardi Gras ball; Mrs. Wilderman will retire

The Madison County Unit of the American Cancer Society at its annual board meeting during the weekend in Alton heard reports from Dr. Edward Cornell, president, Mrs. C. Page Taylor, secretary, Harold Ruyle, treasurer, Dr. Edward Ragsdale, Dr. Felicia Koch, Miss Kathleen Gorman, Jeanne Yakubian and Dr. Bernard Donnelly.

The 1975 crusade report was given by Thad Carter and plans for the 1976 campaign were discussed by Jim Anderson, chairman.

Awards were presented to volunteers by Dr. Cornell.

Ruyle gave a report on the 1976 Mardi Gras ball, which will be held Saturday, Feb. 28, at the Lewis and Clark ballroom.

Mrs. Ruth Wilderman presented the director's report and announced officially that she will be retiring on Dec. 31.

A surprise to Mrs. Wilderman was the presentation of a gold charm by Dr. Donnelly, a gift from the board and staff, for her nearly ten years of service to the American Cancer Society. Merle Aukamp, administrator of Alton Memorial Hospital, was introduced as the newest member of the board.

BRIDE-ELECT. Miss Janis Beverly Louis whose engagement to Terry Michael Bellman is being announced by her parents, Mr. and Mrs. George P. Louis, 39 Oaklawn Drive. An April wedding is planned.

(Hollywood-Andrews Studio)

Bellman-Louis betrothal

Mr. and Mrs. George P. Louis, 39 Oaklawn Drive, are announcing the engagement of their daughter, Miss Janis Beverly Louis, to Terry Michael Bellman, a son of Mr. and Mrs. Roy Bellman, 2267 State St.

Both young people graduated from Granite City High School South.

Miss Louis attended Lewis and Clark Community College and is employed at the Madison

County Nursing Home.

Her fiancé is working at Laclede Steel in Alton.

Tentative plans are being completed for an April 17 wedding.

Lydia Circle plans party

Arrangements for a Christmas party on Dec. 10 at the Grand Cafe for members of the Lydia Circle of Nametaki United Methodist Church and their husbands were completed at an afternoon meeting hosted by Mrs. Mildred Hess, 3825 Village Lane.

Co-hostess was Mrs. Dorothy Wallace, who opened the meeting with prayer. The group also honored Mrs. Hess on her birthday.

Two articles taken from the Upper Room magazine provided the lesson topic given by Mrs. Helen Metcalf. Chairman Mrs. Virgie Barks asked each person to give a thought for Thanksgiving and a response for discussion as the program.

Those attending included Mesdames Mair Long, Jessie Sayers, Lucille Russell, Viola Thornsby, Ethel Seymour, Effie Vrenick, Lucille Webb, Mary Bailey, Frances Reid and those named.

Handicraft Club fetes members

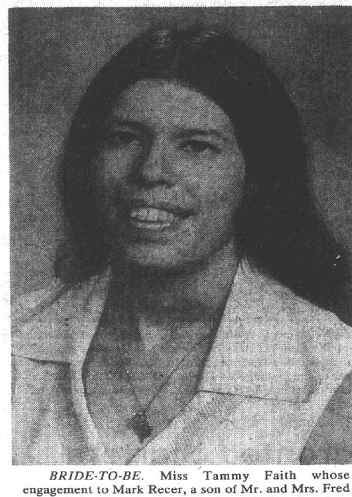

The Handicraft Club met last week in the home of Mrs. Irene Kadane, 2947 Madison Ave., and honored Mrs. Mary Bridick and the hostesses on their birthdays. Each was presented a cash gift.

There were favors for each member and a miniature birthday cake was given to Mrs. Bridick by the hostess.

Prizes were won by Mrs. Vivienne Danco, Mrs. Alexandra Severine and Mrs. Wilma Sydow, a guest.

Plans were made to hold a Christmas party Dec. 16 at the Collinsville Holiday Inn. The January meeting will be in the home of Mrs. Bridick.

Others attending were Ann Kuhlman, Sue Perdicaris, Frances Vivod and Gladys Skubish.

BRIDE-TO-BE. Miss Tammy Faith whose engagement to Mark Reever, a son of Mr. and Mrs. Fred Reever, 4125 South Drive, Pontoon Beach, is being announced by her mother, Mrs. Allene Arnold, 4901 Kirkpatrick Hopes. A Dec. 6 wedding is planned.

Twins to perform piano concert

Misses Brenda and Glenda James, twin daughters of Mr. and Mrs. Elvin James, 3242 Westchester Drive, will present a Thanksgiving piano concert at 3 p.m. Sunday at the Glenview Chapel Assembly of God Church, Wilson Avenue and Maryville Road.

Brenda will play Solfegeetto in C Minor by Bach; Sixth Viennese Sonatina, Mozart; Jesus Every Hour He'll Give You The Power, Andre Crouch; and Joy Comes in the Morning, Gaither.

Glenda's selections include Prelude in E Minor Op. 28 No. 4, Chopin; Let's Just Praise The Lord, Alleluia; Five Bees to Calvary, a Bill Gaither melody; The Old Rugged Cross and a Hill called Mount Calvary, also by Gaither.

The girls will conclude with a vocal duet, "Had It Not Been" by Goodman. Both youthful musicians are freshmen at South High School and are students of Mrs. William Ellsworth.

Right to Life gives programs

The Granite City Chapter of the Right to Life organization agreed to explore alternatives to abortion within the local area during a meeting Monday evening in the St. Elizabeth Hospital library.

Mrs. Vicki Jacobs, president, announced the chapter will provide funds to advertise in the newspaper, listing the phone number of the Birth Right program.

The chapter's education committee has given a film presentation for two private home groups and the humanities class at Madison High School, it was reported. Also announced was replacement of two Right to Life signs stolen from hospital property.

Current officers were appointed to serve as a nominating group to prepare a slate of officers for election in February.

Members made tentative plans to enter a decorated float in next year's Bicentennial parade.

The chapter will meet Dec. 22 in the hospital library. All meetings are open to the public, Mrs. Jacobs said.

Removing those holiday stains

By CATHERINE R. MAUCK
Madison County
Extension Adviser—
Home Economics
The holiday season bounces in
gaily but often exits leaving a
trail of unsightly spots and
stains on table linens and
clothing.
Here are some suggestions on
how to remove those stains left
after holiday festivities:
Candlewax—First scrape off

the excess wax with a dull knife.
Place the fabric between clean
white blotters or layers of white
paper towel, then press with a
warm iron. Remove any
remaining stain by sponging
with a grease solvent or an
alcohol solution—one part
alcohol to one part water.
Lipstick—Apply undiluted
liquid detergent to the stain.
Work in the detergent until the
stain is gone, then rinse well.

This same procedure also works
effectively on grease spots on
permanent press table linens.
Chocolate—Sponge the item
with cool water or soak it in cool
water for 30 minutes or longer.
If a stain remains, work soap or
detergent into the stain, rinse
and let the article dry. Sponge
with a grease solvent if a greasy
stain remains. Removing
chocolate stains is difficult, and
you may have to repeat these

steps. Then, if a stain remains
from using the grease solvent,
use a bleach safe for the fabric.
Fruit Sugars—Stains from
foods containing fruit sugars—
such as orange, grapefruit,
lemon or peach juice, soft
drinks and sweetened punch—
are often not immediately
visible. Brown or yellow spots
may appear after clothes hang
in the closet or after pressing.
These spots are actually
caramelized sugar.
These stains may not be
removable if the fabric cannot
be safely bleached. It's best to

take the garment to a dry
cleaning establishment where
the stain may be removed
before caramelization occurs.
Wine or Other Alcoholic
Beverages—Promptly sponge
these stains with cold water or
soak them in cold water for 30
minutes or longer. Rub
detergent into remaining stain
while the fabric is still wet.
Launder in hot water with a
chlorine bleach, if safe for
fabric. If garment is not
bleachable, follow the cold
water soak by sponging the
stain with vinegar. Rinse. If any

stain remains, rub detergent
into stain. Rinse and then
launder.
The alcohol in these
beverages may cause bleeding
of some dyes, resulting in loss of
color or formation of a dye ring
around the edge of the stain.
When either of these changes
occur, the original appearance
of the fabric cannot be restored.

Girl Scout troops tour mounds

Girl Scout troops 275 and 330
toured Cahokia Mounds
Museum and were guided on a
walking inspection of the large
mound in the immediate area of
the museum last week.
A park guide also conducted
the group on a motor tour of the
Cahokia Mounds State Park. He
explained an experimental
project occurring during the
summer months when ar-
chaeological students lived in
the park, assimilating the life-

style of the Indian tribes which
constructed the widely
renowned mounds.
The girls were shown an area
which was cultivated during the
summer program and visited
the huts the group had erected
in which to live. The tour
completed the girls'
requirements toward receiving
an Indian lore badge.
Girl Scouts taking part from
Troop 330, under the leadership
of Mrs. Pauline Schank and
Mrs. Marilyn Bodman, were:
Roxanne Alexandrian, Kathy
Britz, Jaime Carter, Jane
Chaslain, Marcia Conary,
Darla Dawson, Marsha Fisher,
Fawn Fitter, Nancy Griffith,
Mary Holder, Monica
McAmish, Laura Maddox,
Crissey Nikonowicz, Kathy
Nikonowicz, Stephanie Shank,
Cindy Tadar, Beth Bodman,
Michelle McAmish and Melissa
McAmish.

Participating from Girl Scout
Troop 275, under the direction of
Mrs. Marlene Ross and Mrs.
Thelma Grimes, were Melea
Hoffmann, Sheryl Boley, Lisa
Frye, Susan Kufey, Christy
Hanson, Susan Glasgow, Cindy
Grimes, Becky Davis, Carrie
Ross, Leah Stogdill, Kim Ross,
Diana Ashul, Julie Piper, Ding
Lombardi, Kayla Archer,
Jeanette Bagl, Lisa Nicholson
and Cathy Grimes.
Assisting the leaders were
Mrs. Pat McAmish, Michael
Grimes, Owen Ross and Mrs.
and Mrs. Jim Stogdill.

THOMAS MANNINGS NAME
SON BRIAN CHRISTOPHER
Mr. and Mrs. Thomas
Manning of Macomb, Ill.,
former residents, became the
parents of their third son,
Nov. 11 at McDonough District
Hospital, Macomb.
The infant weighed eight
pounds, three-and-a-half
ounces. He has been named
Brian Christopher.

We have available at the Madison County Extension office plans for cattle handling facilities. The plans are in "Beef Housing and Equipment Handbook" prepared by the Midwest Plan Service for \$2.00.

The most important single thing a cattleman can do to increase beef herd profits is to

Production records are like a road map. They are a blue print for selecting the best animals to keep in your herd and help you reach your goal or destination. That goal is greater production and higher profit in your beef

The beef performance testing program was started in Illinois a few years ago to provide beef producers a good set of performance records. At the present time, we have eight cattlemen in Madison County participating in the beef performance testing program.

They include Jim Barth and Jerry Frey of Highland; L. Knebel and Kenneth Ernst of Pocahontas; Homer Henke of Moro; Ordie King of Godfrey and Glen Grotefendt and Ken Bardelmeier of Marine.

This information can be useful to you as a beef producer in culling out low-producing cows. Your records can help identify the high producing cows in the herd.

Records will point out the difference in gaining ability of

Additional information on production records may be obtained at the County Extension office (900 Hillsboro, Edwardsville).

Indian festival for Pack 96

Cub Scouts of Pack 96 celebrated an Indian Festival at Maryville School last week, with Indian crafts and costumes of their own making on display.

The meeting was opened by Tony Beyer leading the pledge and Den 2 giving honor to the American heritage.

Awards for the month were: Bobcat badges to Darrin Duffin, John Feldman, Paul Cox, Richard Boyett and Joe Wyldie. Wolf badges to John Shane, Billy Perigo and Mark

Messaros. Bear badges to Keith Johnson, Tony Beyer and Steve Kinney. Gold and silver arrow points to Billy Perigo, Tony Beyer, Keith Johnson, Mike Asher and Mark Messaros.

Webelos engineer to Brian Pope, Steve Hall, John Layer, Darren Ward, John Ferguson and Curtis Krug. Denner tabs to Jimmy Stuart and Jeff Langdon.

One-year pins to Carol Beyer, den leader, Billy Perigo and David Hefner. Den leader

patches to Joyce Huffstutler, Carol Beyer, June Bernick, Carolyn Ehlers, Ann Kinney, Betty Wicker and Ann Wilhelm.

Entertainment was provided by Den 3 cubs in costume, performing a medicine man tribal dance. Den 1 cubs reported about a field trip they had taken and Den 5 cubs, dressed as various tribes, described customs and backgrounds of the tribe each boy represented.

All cubs joined in games and a relay race, finishing with an Indian dance and "war

whoops."

Canned foods were brought in by the Cub Scouts to be donated to Maryville School PTA for holiday "good will" baskets.

Den 4 closed the ceremonies with an Indian blessing in sign language and cup cakes, punch and coffee were provided by Den 5.

KARDETTE'S CLUB PLANS YULE GIFT EXCHANGE

The Karettes Club selected names for a Christmas gift exchange at a meeting hosted by Mrs. Winona Kibort, 2124 Miracle Ave., last week.

Those attending in the card games and winning prizes were the hostess, Barbara Nemeth, Frances Skubish and Elsie Hawkins.

Others present were Josephine Orescovich, Emma Jaklich, Rose Perkins and Geneva Patton. Mrs. Jakobich will entertain the group at the next party.

St. John Lutheran services

Thanksgiving services will be held at 8 a.m. Thursday at St. John Lutheran Church, St. Clair and Dale avenues, according to the Rev. Samuel Boda, pastor.

The congregation is being asked to bring canned foods for a "Thanksgiving table for the needy." The food will be used for Christmas baskets and the collection will continue until Christmas week, the pastor said.

Organist for the service will be Miss Ellen Boda, a music major at Concordia Teachers College, River Forest, Ill.

ANDREWS HONORED ON SILVER ANNIVERSARY

Mr. and Mrs. Richard Andrews, 261 Tennessee Ave., were given a surprise silver anniversary party Sunday afternoon. Members of their family gathered with gifts and refreshments.

The couple was married at the Presbyterian Church of Staunton, Ill., on Nov. 22, 1950.

Those attending the celebration were mothers of the couple, Mrs. Ivana Moniac of Staunton and Mrs. Esther Andrews of Livingston, and Denny Spudic of Livingston, Mr. and Mrs. Stanley Corey and son, Lance, of St. Ann, Mo., and Mrs. Dayton Corey.

Mrs. Gerry Skaggs, Mrs. Vickie Berkey, Mrs. Claudia Kilian and daughter, Amy, Mrs. Fern Corey, Mr. and Mrs. Wendell Corey and son, Greg, Mr. and Mrs. Melvin DePew and sons, Kevin and Darrin, Mr. and Mrs. Larry Corey and children, Brian, Scott and Kimberly, Laura Gurnea and the Andrews children, Jean and Chris.

I BET YOU DIDN'T KNOW

Brought To You By Milton Mathews

Do you know how many professional college football teams in the last 50 years have been able to go through a season unbeaten, untied and UNSCORED ON? ... Only three teams have done it in all this time ... They were Colgate in 1932, Duke in 1938 and Tennessee in 1939, and no team has been able to do it since then.

Here's an oddity ... Football is always referred to as the "pignskin sport", and the football itself is often called the "pignskin" ... But, did you know that footballs aren't made from pignskin anymore? ... Most footballs today are made from cowhide.

Which are the largest football stadiums in America? ... Well, there are only three which can seat more than 100,000 people ... Can you name all three? ... They are the Rose Bowl in Pasadena, Calif., The University of Michigan Stadium in Ann Arbor, Mich., and, JFK Stadium in Philadelphia where the Army-Navy game is played.

I bet you didn't know ... We got the best New and Used Car Deals in Town!

NEW MEMBERS INDUCTED by the Granite City Business and Professional Women's Club and their sponsors. From left to right — Judith McCann, sponsor, who conducted the initiation ceremony; Kathryn Smithson, sponsor and recipient of the club's first Liberty Bell award for recruiting three members this year; Billie Schuler, Lucille Pierce, June Fritz, Mickey Fritz, new members; Lil Marzul, sponsor, and Rosalee Stern, new member.

GC Business Women honor past presidents, mark Women's Year

An array of flags representing many nations formed the centerpiece for the head table at the International Women's Club held last week at Charlie's Restaurant.

The occasion also served as Past President's Night with 13 of the club's past top officers escorted into the room and presented framed "Award of Merit" scrolls for "out-standing achievements" in recognition of accomplishments during their term of office.

Mrs. Rosemary Basden, BPW president, welcomed members and guests and introduced Mrs. Judy Wiemann of Edwardsville, state membership chairman for the Illinois Federation of Business and Professional Women's Clubs.

Mrs. Wiemann spoke briefly, encouraging the members to seek employed women in the community, tell the BPW story and recruit them into the club. She also urged participating in programs at the state level, commenting "this is one step every member would enjoy."

Guest speaker was S. Paul Zarlingo, regional marketing engineer for the Brass Group at Olin Corp., and an instructor at Belleville Area College.

A Granite City resident and a former business teacher at the local high school, Zarlingo presented a program of slides and discussed various aspects of business and management.

Noting that some business leaders are more capable of designating authority and assuming responsibility than others, Zarlingo emphasized that each person should know

his or her capabilities and limitations in order to achieve success in the complexities of today's business world.

The speaker projected data from the published works of Peter Crucker, Henry Albers, A. H. Maslow, Douglas and W. Clement Stone to emphasize his points.

Also highlighting the meeting was a comedy routine by Betty Robertson, dinner chairman, reflecting humorous comments geared to the past presidents and the popular art of belly-dancing.

Mrs. Judith McCann of the membership committee conducted an induction ceremony for new members Billie Schuler, Lucille Pierce, June Fritz, Mickey Fritz and Rosalee Stern.

She also honored Mrs. Kathryn Smithson and presented her with a Liberty Bell award, signifying her recruitment of three new members in the 1975-76 club year. Mrs. Smithson is the first local member to achieve the Bicentennial Year award.

Membership applications from four other women were accepted. The applicants are Leona Bell, Louise G. Smith, Anna Mae Gates and Genevieve Murphy, who will be inducted at a later meeting.

Members who have joined the club this year will be entertained at an orientation night event Tuesday, Dec. 9, in the executive offices at the Granite City Press-Record. Mrs. Barbara Hodges, membership chairman, announced.

Any working woman interested in learning more about the BPW program or

attending the orientation meeting is invited to contact Mrs. Hodges, at 451-9992, Mrs. Valerie Evenden, at 978-2990, Mrs. McCann, at 831-1550, or any club officer.

Mrs. Ruth Walk discussed plans for the BPW Christmas party, scheduled Dec. 17 at Charlie's Restaurant. She said only a limited number of reservations will be accepted and asked they be made at an early date.

A gift exchange is planned, together with a cocktail hour, musical entertainment by a barbershop quartet and the presentation of several gifts, Mrs. Walk said.

Club members will "ring the bells" for the Salvation Army's Tree of Lights on Saturday,

Santa to arrive at shopping mall

Santa Claus will arrive at St. Clair Square Shopping Center in Fairview Heights at 10 a.m. Friday with a mini-parade escort to officially open the Christmas season at the shopping center.

Santa will ride on a horse-drawn haywagon accompanied by a marching unit from Millstadt and clowns from the Lincoln Trail Optimist Club. He will greet the assembled children at the main entrance to the square and distribute gifts as he walks toward his European village home, escorted by two youngsters, Joan and Jennifer Cook of O'Fallon.

The seasonal visitor will be in the village each Monday through Saturday from 10:30 a.m. until 8:30 p.m. to greet the children, distribute gifts and certificates for a treat at the "giant candy cane factory." Santa's hours on Sunday will be from 10:30 a.m. to 5:30 p.m.

Proclamation, a 40-voice choir from Highland, will sing in the square at 7 p.m. Friday, and the 35-voice U. S. Navy choir from Pensacola, Fla., will perform in the mall at 2:30 p.m., 3:15 p.m. and 4 p.m. Saturday.

All events are open to the public and are free of charge.

Dec. 6, Mrs. Basden announced.

Later the same day, a group will assist a subscription drive for the Channel 9 public broadcasting television station, Mrs. Shirley Adams, public relations chairman, reported.

The Granite City BPW Club has successfully raised a total of \$8,000 in pledges in previous campaigns, she advised.

Mrs. McCann served as auctioneer for table centerpieces displayed throughout the room, with the funds to be used for club projects.

MR. AND MRS. THOMAS BANACH, who exchanged wedding vows at St. Elizabeth Catholic Church. The former Alice Louise Doerr, the bride is a daughter of Mr. and Mrs. Robert J. Schreiber Sr., 1533 Twenty-sixth St.

(Markedly Studio)

Kern-Johnson wedding

Miss Donna Sue Johnson and Steven Paul Kern, a son of Mr. and Mrs. Melvin Kern of St. Louis, were united in marriage on Sept. 23 in a ceremony taking place in the home of the bride's parents, Mr. and Mrs. Leroy J. Metzger, 2145 Cleveland Blvd.

The Rev. John D. Hagen Sr., officiated at the double ring ceremony at 8 p.m.

Attending the couple were

Robert Hillgarnier, best man, and Miss Linda D. Amato, honor attendant.

A reception was held in the Metzger residence for family members and close friends after the service.

The former Miss Johnson graduated this year from Granite City South High School. The newly married couple now resides in St. Louis.

Alice Louise Doerr and Thomas Banach are wed

St. Elizabeth Catholic Church was the scene of the wedding of Alice Louise Doerr, a daughter of Mr. and Mrs. Robert J. Schreiber Sr., 1533 Twenty-sixth St., and Thomas Leonard Banach, son of Mr. and Mrs. Leonard Banach, 4419 Vandals, St. Louis, on Nov. 8.

Officiating at the double ring ceremony at 2 p.m., was the Rt. Rev. Msgr. Lawrence Mattingly.

For her wedding, the bride chose a long gown of white chiffon and crepe enhanced with a lace bodice made with a high neckline.

Matching lace formed the cuffs of the long sheer sleeves and trimmed the semi-full skirt and high waistline. She wore a fingertip veil edged in narrow lace and held a colonial bouquet of roses and baby's breath.

Mrs. Donna Stille, a sister of the bride, served as matron of honor.

She wore a forest green Empire style dress trimmed with an off-white lace at the square neckline and on the puff sleeves.

Her bouquet was an arrangement of lime green carnations and baby's breath.

Attending the groom as best man was his brother, Ronald Banach.

Escorting the guests to their seats were Michael Banach and Fred Schreiber, brothers of the bride.

Mrs. Schreiber, mother of the bride, selected a kelly green gown, fashioned with an empire waist, V-neckline and long sheer sleeves.

The groom's mother, Mrs. Banach, was attired in a formal-length dress of gold crepe made in an A-line style with a high neckline, complemented with a matching jacket.

Both mothers wore corsages of lime green carnations and yellow roses.

A reception was held at

Trinity Hall, Madison, after the ceremony.

The bride is a graduate of South High School and is employed as a secretary at Coin Acceptors in St. Louis.

A graduate of Northwest High School, the groom also graduated in 1970 from the University of Missouri at St. Louis. He now works as field director for the American National Red Cross in St. Louis.

Out-of-town guests included George Vidallalshies, John Shields and Miss Chris Marone, all of Carbondale, Ill.; Jim Marcelle, Seattle, Wash.; Mr. and Mrs. Scott Jackson, Fort Wayne, Ind.; Mr. and Mrs. Con Haugh, Davenport, Ia.; Mr. and Mrs. Walter Malone, DuQuoin, Ill.; Mr. and Mrs. Pete Peterson, Beaufort, Mo. and Mr. and Mrs. John Tranter, Cape Girardeau, Mo.

Robert Hutcheson, organist and choirmaster, will direct the Junior Choir and the Junior High Handbell Choir and Miss Susan Kelly will direct the Chorus Choir in a special musical program.

The Rev. Kettelhut said a coffee fellowship will follow the service. Those attending are being asked to bring canned goods to fill Christmas baskets for the needy.

The pastor will deliver the topic, "The Responsibility of the Privileged," at tomorrow's service.

Thanksgiving at St. Peter's

A service of Thanksgiving worship, patterned after an early colonial order of service, will be observed at 9 a.m. Thursday at St. Peter Evangelical United Church of Christ, 21st Street and Cleveland Boulevard, the Rev. Robert Kettelhut, pastor, has announced.

Robert Hutcheson, organist and choirmaster, will direct the Junior Choir and the Junior High Handbell Choir and Miss Susan Kelly will direct the Chorus Choir in a special musical program.

The Rev. Kettelhut said a coffee fellowship will follow the service. Those attending are being asked to bring canned goods to fill Christmas baskets for the needy.

The pastor will deliver the topic, "The Responsibility of the Privileged," at tomorrow's service.

GUEST SPEAKER S. Paul Zarlingo of Granite City, regional marketing engineer for the Brass Group at Olin Corp. and a Belleville Area College instructor, is introduced by leaders of the GC Business and Professional Women's Club at the Past Presidents Night-International Women's Year dinner at Charlie's Restaurant. From left to right — Betty Robertson, chairman; Rosemary Basden, BPW president; Zarlingo and Mrs. Zarlingo, and Ruth Buer, Women's Year chairman.

Parents club plans activities

Parents Without Partners, Eastside Chapter 91, will host a dinner party and board meeting Dec. 10 in the NCO Club at the Granite City Army Installation, the president, Allen Stevenson, has announced.

Other chapter activities in December include a newsletter printing discussion Dec. 3, at the home of Sharon Simmons, at 8 p.m.; ticket committee meeting Dec. 4, at the home of Evelyn Stephens, for the "Sno Ball" dance, set Dec. 6 at the Bel Air Bowl in Belleville. Deadline for ball reservations is Sunday, with Mrs. Stephens.

A general meeting of the chapter will be Dec. 8 at the Collinsville VFW, followed by a Christmas party.

A discussion meeting on "Adolescents Struggles" is scheduled for Dec. 11 at the home of Mrs. Rosie Johnson in Belleville, and the Dec. 13 Saturday night social with Mrs.

Stephens, 2520 Parkview, will feature a gift exchange.

A children's yuletide party will be held on Dec. 14 at the Fun Spot Skating Arena, 1400 West Blvd., Belleville.

DELTA CHI FRATERNITY INITIATES GC MAN

Daniel Penrod of Granite City was initiated into the Delta Chi Fraternity, Southern Illinois University at Edwardsville Chapter, in a ceremony during the weekend.

Penrod was the Lambda pledge class president and currently is enrolled at SIUE, majoring in mathematics.

Prior to entering the university, Penrod served three years with the U. S. Marines.

READY-MIX CONCRETE CALL LYBARGER 452-3107 or 452-4180

Salon 53 fetes Miss Ullrich

Madison County Salon 53, Eight and Forty, met last week at the American Legion Home in Highland. Chapeau Ina Campbell presided.

There were 14 attending representing Legion posts in Edwardsville, Alton, East Alton, Highland, Granite City, Madison and Venice.

A report of the fall piquet held in Champaign was given by a piquet member, Adeline Drury, and plans were completed for a yuletide party Dec. 16 at an Alton restaurant.

A surprise handkerchief shower, was held in honor of Miss Fannie Ullrich on her 75th birthday.

Lunch was served by hostesses Kay Werder and Mary Massman, both of Highland, followed with games and prizes.

Commitment at Faith Rally totals \$10,512

A goal of \$8,000 was exceeded by \$2,000 at the "Faith Promise Rally" held during the weekend at the Poston Beach Church of Christ.

The event featured Ken Vogel, missionary to Liberia.

Jack Kelley, host pastor, announced the total commitment for missionary giving was \$10,512. The funds will enable the church to help support several additional missionaries during the coming year, the pastor stated.

Other speakers addressing the rally were Dwayne Anderson from His Place Contact Center in St. Louis and Larry Reynolds of the CWBA Youth Home in Florissant, Mo.

Nameoki PTA honor students

Nameoki School PTA honored 22 students for outstanding participation in a fund-raising project during the November PTA meeting at the school.

Each pupil received a certificate and a free pass to any Nameoki skating party.

Steven Brandes was presented with \$20 as the top salesman and Kellie Moore received \$20 for an "outstanding effort and sales record."

Mrs. Linda Givens' class was recipient of a \$40 cash award as the overall top class in sales.

The funds will be used for class projects, according to the PTA officers.

To conclude the session students who had sold eight items in the program were given an opportunity to break balloons which contained from 50 cents to \$5 certificates.

Woman would expand lieutenant governor's role as ombudsman

Mrs. Joanne H. Alter, commissioner of the Metropolitan Sanitary District of Greater Chicago, announced her candidacy during the weekend for the Democratic nomination for lieutenant governor.

In making the announcement at press conferences in Chicago and Springfield, she said the office should assume an "ombudsman" role to attract economic development to the state.

She also said the office should continue its role as a "problem solver" for the aged, but be expanded to include the handicapped, mentally retarded and other groups. Helping to bring in more federal dollars and programs would also be her goal.

The second highest-ranking state official can "promote our abundant natural and productive resources to industries outside our state who are considering expanding or relocating in other areas," she commented.

"The problems facing the people of Illinois are not on the second floor of the Statehouse. They're in counties such as Pope, Union, McDonough, Scott, Iroquois, Carroll and many others that are suffering from rising unemployment, industrial deprivation and an inadequate tax base," she said.

She cited a statewide unemployment rate of 13 per cent above the national level of 8.6 per cent, and called attention to unemployment over

10 per cent in Decatur, Rockford, Quincy and Cairo.

"Illinois can do more to resolve some of these problems and, as lieutenant governor, I can take a leading role in this effort," she said.

Commissioner Alter said she would continue to maintain a telephone "hot line" for citizens who find their needs unmet or unsolved by government agencies.

"The aged are only one of several groups in need of help," she said.

"The handicapped, the poor, the unskilled and the retarded are finding it equally difficult to cut through the 'red tape' of government. The public pays the salaries of public servants, and service to the public should be of foremost importance."

She also would attempt to draw more federal dollars to Illinois.

"Illinois receives \$4.4 billion less each year than it sends to Washington. This imbalance must not continue," she asserted.

Mrs. Alter, as a Sanitary District commissioner, became a watchdog for preservation of the environment and energy conservation, sought budgetary reform, worked for public accountability at board meetings, supported land use planning, promoted recycling efforts, and established guidelines for selection of engineering consultants and for flood control projects," she recalls.

She has been active in politics for 25 years, having participated in campaigns at the local, state and national levels. This year, she represented Illinois at the United Nations World Conference—International Women's Year in Mexico, and earlier participated in several other UN international conferences.

Her work in her community as a member of numerous boards and organizations earned her the 1975 YWCA leadership award for metropolitan community leadership.

A graduate of Mount Holyoke College in Massachusetts with a bachelor of arts degree in political science (cum laude), she is married to James Alter, a business executive. They have four children—Jennifer, Jonathan, Jamie, and Harrison—and live in a 90-year-old home on Chicago's north side.

Former resident married in Utah

An out-of-town wedding of interest here was that of Miss Darlyn K. Openshaw and Michael Edward Robertson, taking place at 6 o'clock on the evening of Nov. 14 at St. Marguerite Catholic Church, Tooele, Utah.

Parents of the bride, Mr. and Mrs. J. Openshaw reside in Tooele. The groom is a son of Mr. and Mrs. Lee Robertson of Tooele, formerly of Granite City, and the grandson of Mrs. Mildred Boyer of Granite City. Following the service, a reception was held at the Tooele Elks Lodge.

new CHROMA-STONE RING

The Ring that Changes Colors
The Chroma-Stone Ring is a phenomenon of nature, its color changes in mysterious and fascinating ways — ranging from soft to sapphire. It's as functional as it is attractive — in an artful blend of sterling silver and simulated stone.

DAVE WHITSETT, son of Eunice Whitsett of Granite City, has completed basic training at the Naval Training Center at Great Lakes, Ill., and is now stationed aboard the USS Ranger.

PERRY SINGLETON, son of Robert and Chris Singleton of Granite City, has completed basic training at the Naval Training Center, Great Lakes, Ill. He is in the Navy's aviation field and upon completion of 14 days leave, will report to Naval Air Station at Lemoore, Calif., for further training.

License to list organ donations after death

Residents of Illinois who are anatomical gift donors may now place an organ donor sticker in a specified place on the back of a driver license. Secretary of State Michael J. Howlett said this week.

All driver licenses issued by the secretary of state's office now carry this message at the side of the new license: "If the use of an organ sticker is desired, put it on the upper right corner of the back of your license."

"The sticker will call attention that the licensee will be carrying an anatomical gift card, which will give specific direction regarding the organs to be donated in case of death,"

Howlett said.

Official permission for placing the stickers on licenses was granted by an amendment to the Illinois Vehicle Code passed in the last session of the General Assembly. The stickers, which will be provided by organ donor associations upon request, will not exceed one-half-inch in vertical height or one inch in horizontal width.

It is expected that stickers and cards will be ready for distribution in the near future from the donor organizations. Later, they will be available at driver service facilities throughout the state.

Title VII council elects officers

The Title VII Project MICRO Student Advisory Council of Venice School District 3, under the direction of Miss Mary Donna Satturo, Title VII developmental reading teacher has elected officers for the 1975-76 school year.

The co-chairmen are Tami Eck and Carolyn Richmond and the secretary is Andrea Withers. The other members are Terry Arnold, Gertie Rupert, Sharon Taylor, Terri Varner, Peggy Pler, James Gonterman, Gloria Johnson, Sabrina White, Kerry Roberts, Lorraine Brimmage and Adrienne Pumprey.

Safety tips for holiday

With Thanksgiving travel uppermost in many drivers' plans, Chief of Police Ronald J. Veizer today offered the following suggestions based on recommendations from the International Association of Chiefs of Police:

1. Plan a sensible schedule. Know your route. Get plenty of rest.
2. Keep a check on weather reports. Adjust your driving schedule to give you more time to reach your destination. Cancel your trip if the weather threatens to turn vicious.
3. Be prepared for the worst that winter may have to offer: carry reinforced tire chains for severe snow and ice conditions that might be encountered.
4. If you are caught in a

storm, keep alert to announcements of emergency locations and alternate routes. 5. Slow down on slippery roads. Allow considerably more distance between cars.

6. Get the feel of the road. Know just how slippery that surface really is.

7. Stay alert for icy spots. Ice lassis longer on bridges, overpasses and in shaded areas.

8. Drive ahead of your car — plan every maneuver well in advance. Accelerate and steer smoothly. Pump brakes when stopping to maintain both steering and stopping control.

Chief Veizer concluded with this reminder: "Whenever, wherever you travel, using safety belts is never out of season."

Driver injured

Miss Pamela Brown, 17, of 2628 E. 28th St., was injured when her auto struck a utility pole on the southwest corner of St. Clair and Buxton avenues this week.

She was taken to St. Elizabeth Hospital where she was treated for a cut to her forehead, a bruise to her right hand and an abrasion to her right knee. X-rays were taken and she was released.

THEFT FROM AUTO

A citizens' band radio, a girl's coat, a snow cone maker and assorted Christmas presents were stolen from the auto of Thomas Estabrook, 1924 Edison Ave., parked at the rear of his home. It was reported this week. Estabrook said a white station wagon, possibly a Buick, was seen leaving the scene. The car had a dent on the left rear fender, he said.

Explorers plan police tour

Police Explorers from posts sponsored by the Greenville, Highland, Pontoon Beach, Granite City and Madison police departments will tour the St. Louis Police Department's central division.

The Explorers, all members of law enforcement posts, will be hosted by Officer Earl Bostic and members of the community relations division of the St. Louis Police Department.

The trip has been organized by Donald Bridick, juvenile officer of the Madison police and chairman of the newly organized NALEE chapter (National Association of Law Enforcement Explorers) of the Cahokia Mound Council.

NEW SUPPLY COMPANY accepted into Granite City by the City Council Monday night is Callier Steel Pipe & Tube Co., which supplies pipe and tubing throughout the world. The council approved annexation of a 30-acre parcel the company leases from Shasta Beverage Co., immediately south of the Shasta facility, which can be seen at right.

Callier presently uses 10 acres of the parcel for pipe storage and is planning to expand with a railroad spur, paved drives and areas and a work shed envisioned. A mobile home office was placed on the site last week. Callier's office is in St. Louis. (Press-Record Photo)

Monday 1st day to use new license plates

Motorists are being reminded by Secretary of State Michael J. Howlett that 1976 auto license plates may not be displayed until Monday, Dec. 1.

Howlett said that although many motorists have already received their 1976 license plates, it is a violation of the state's Vehicle Code to display them before Dec. 1.

He warned that anyone using the new plates before Monday would either have to purchase a 1975 half-year plate or not drive their auto before Monday in order to avoid receiving a traffic citation.

Urge more to use short form in filing tax return

The Internal Revenue Service is hoping more taxpayers use the short Form 1040A this year. "It is easier to fill out than the long Form 1040 and—with certain improvements in it—many more taxpayers will be able to take advantage of the

short Form 1040A this year," Ira S. Loeb, IRS district director for Central and Southern Illinois, said this week. "We are mailing 517,000 short Form 1040A's this year to taxpayers in this district. This is about twice as many as last

year. "The increase in the 1040A tax packages is matched with a similar decrease in single-page 1040's from last year. "The tax package that an individual receives each year is based on which type was filed

the year before," Loeb said. "But we have found that many taxpayers who filed a 1040 return last year could have filed the much simpler short Form 1040A. "An added advantage to the short Form 1040A is that it is

easier to fill out and, therefore, many taxpayers can do it themselves rather than having someone fill it out for them," he added. A total of 1,142,211 forms 1040 and 1040A tax packages are being mailed to taxpayers in

Central and Southern Illinois. For the first time, individuals will be able to get money through filing a federal income tax return, even though they paid no withholding. The money will be paid as an earned income credit for

workers earning up to \$8,000 a year and maintaining a household with a dependent person. The credit is 10 per cent of a worker's earnings—up to a maximum of \$400—and decreases as income rises above \$4,000. In addition to the earned income credit, other new features of the tax forms for 1975 include the following:

1. A higher standard deduction of 16 per cent, to a maximum of \$2,880 for married persons filing jointly (\$1,440 for married individuals filing separately), and \$2,340 for single persons and heads of households. 2. A \$30 credit for each person claimed as an exemption. 3. A five per cent credit, with a \$2,000 ceiling, on the purchase of a new principal residence built or under construction before March 30, 1975, and acquired and occupied after March 12, 1975.

Another "first" is a line on Form 1040 for deducting contributions to individual retirement plans, generally available to individuals who do not participate in pension plans at work. Taxpayers who have an individual retirement account or annuity must attach Form 5329, Return for Individual Retirement Savings Arrangement, to their tax return, whether or not they contribute to their retirement plan during the year.

A change appearing in both Form 1040 and 1040A for 1975 is the increase in the tax table for incomes up to \$15,000. The tables make it unnecessary for taxpayers who do not itemize deductions—and whose income is under \$15,000—to figure their tax.

Nevertheless, whether taxpayers receive a Form 1040A or Form 1040 tax package, they should consider itemizing deductions, instead of claiming the standard deduction, computing the tax both ways to see which method results in a lower tax, Loeb advises.

Medical bills, charitable contributions and other tax-deductible expenses sometimes can mount up and enable taxpayers who itemize to cut their taxes significantly, he added.

"Although most taxpayers will receive their tax packages in the mail about the first of the year, now is a good time to gather records and other information needed to file tax returns," Loeb said.

"Congress has been considering proposals to change several tax law provisions. "If changes are made that affect 1975 income taxes, the IRS will provide the supplemental forms and information that taxpayers will need to meet any new requirements of the tax law."

STUDENTS ON PANEL TO CHOOSE EXECUTIVE DEAN

The presidents of three student body groups at Southern Illinois University at Edwardsville have been appointed by President John S. Rendleman to serve as student representatives on the search committee to select an executive dean of student affairs. Named to the committee were: Robin J. Roberts, president of the Student Body; Ralph Collins, president of the Black Students Association; and Monica Olzewski, president of the Tower Lake Area Council.

They will serve with three members of the faculty and administrative staff: Rudolph Wilson, instructor of education, chairman of the committee; Darryl Enos, associate professor of business; and Carmen Deist Kerr, assistant to the director, Office of Student Work and Financial Assistance. The search committee has been asked to nominate three persons for the position no later than Jan. 9.

PSALM 136:1 "O GIVE THANKS UNTO THE LORD: FOR HE IS GOOD: FOR HIS MERCY ENDURETH FOR EVER."

A great portion of the Holy Bible is written to encourage believers to thank God for His many blessings. How many are the blessings of God? We lose count for they are without number.

This week is a special time of thanksgiving. Families will come together, good times will be enjoyed all over America. No doubt we will all thank God for making it and Mom for baking it, but let us not fail to give thanks unto the Lord. He is good. His mercy endureth forever.

Give thanks, today!

still up and the road is closed to the public.

"I again direct this road to be open to the public and, if it is not open, will request the state's attorney's office to begin legal proceedings in this matter."

Miller said yesterday he will conduct another inspection, possibly today, and go to the state's attorney's office as soon as possible if the cable still is in place.

The issue of the road closing was discussed by Estes and the Chouteau Town Board at the board's last meeting. "We told him then he could not close that road," Chouteau Township Supervisor Walter "Dick" Sparks said yesterday.

Sparks said he contacted Miller and recalled telling him that the issue is one the county superintendent of highways must handle. "It is up to me and I'll take care of it," Sparks recalled Miller saying.

He said that, if Miller is not able to resolve the situation, the town board "probably would take some action."

Parade

(Continued from Page 1)

to distribute candy and listen to wishes from his youthful admirers.

After his welcome at Venice City Hall, Santa will stop for his first visit in front of the Venice Post Office at Broadway and Fourth Street, at 9:05 a.m. Friday.

He will proceed to Third Street and Madison Avenue in Madison, where he will greet youngsters at 9:35 a.m. and then travel north along Madison Avenue to 19th Street, turning west to Niedringhaus Avenue and east on Niedringhaus to Madison Avenue once again.

The parade will move northward to Bellemore Village Shopping, arriving there for a visit at 10 a.m.

Santa will continue to Schermer's Men's Store in Crossroads Plaza Shopping Center at 10:30 a.m.; Traylor's Men's Wear in Nameoki Village Shopping Center at 10:45 a.m.; the American Village Shopping Center at 11 a.m.; and then travel south to Santa's cabin at 19th Street and Edison Avenue to take up formal residence at 11:30 a.m.

His home for the next few weeks will be a special log cabin situated on Edison Avenue, near 19th Street.

He will receive visitors in his cabin on Friday from 11:30 a.m. until 8 p.m., and on Saturday from 10 a.m. until 6 p.m.

Santa's visiting schedule will include Mondays through Thursdays from 4 p.m. to 8 p.m. and Friday from noon until 8 p.m.

Santa will rest and his cabin will be closed on Sunday, Nov. 30, but on the next three consecutive Sundays, Dec. 7, Dec. 14 and Dec. 21, the cabin will be open from 12:30 p.m. to 4 p.m.

His headquarters will close for lunch on Fridays between 3 p.m. and 4 p.m. and on Saturdays from noon until 1 p.m.

Santa's parade and visit is being sponsored by the Associated Retailers and Civic Association, Inc.

Two get prison terms

Two Kirkpatrick Homes men have been sentenced to penitentiary terms after pleading guilty to charges in connection with a robbery at Doc's Lounge Tavern, 1417 Twentieth St., June 15.

John Stojetz, 40, of the 2100 block of Kirkpatrick Homes, was sentenced to serve four to eight years in prison and Allen Miller, 27, of the 5300 block of Kirkpatrick Homes, was sentenced to serve 14 to 45 months in prison in connection with the case. Stojetz pleaded guilty to armed robbery and Miller pleaded guilty to robbery.

Sentences were pronounced in Madison County Circuit Court at Edwardsville.

Also in Madison County Circuit Court, two men are to be sentenced in January after

Zoning

(Continued from Page 1)

council agreed with the Plan Commission and denied a special use permit to Nelson Dunlap to place a sales office at 2200 State Street, which is in an R-3 single-family residential district.

Dunlap had proposed a heating and air conditioning office at that location while most of the house was used as a family residence.

The Plan Commission received a petition bearing more than 50 signatures of area residents objecting to the business because of parking, traffic congestion and because they felt the area should be kept a residential area. Business should be encouraged to move into the downtown area, the residents indicated.

The Plan Commission members actually voted 5-2 in favor of granting the permit to Dunlap, but the motion lost since six votes, a majority of all the Plan Commission members, is necessary to approve a motion.

Plan Commission members have long objected to an attorney's opinion that a majority of all the commission members, not a majority of those present at each meeting, is required for passage of a motion.

The council also concurred with the Plan Commission's recommendation to annex 30 acres of property south of the Shasta Beverage Co. plant which is being leased by Caliber Steel Pipe and Tube Co. as a pipe storage facility.

Also annexed on the recommendation of the commission was the property of Charles and Alice Halbrook, 3272 Edgewood Ave.

The commission recommended that a special use permit be granted to the Assembly of God Church, Faith and Buxton avenues, for a parking lot.

The church first sought C-1 commercial zoning for the lot, but agreed, upon the commission's request, to change the request to one for a special use permit.

Commission members indicated they were hesitant to grant commercial zoning to a lot in the middle of a residential area. The council agreed to grant the special use permit to the church.

pleading guilty this month to charges in connection with the robbery of John Obachina and Jerry J. Rapac, and the attempted robbery of Robert Schmittling in separate offenses on July 23.

Rick McCutcher, 23, pleaded guilty to attempted armed robbery and Terry Smith, 24, pleaded guilty to armed robbery. Both reside in the 600 block of Bend Road.

Charges against Vicki Waters, 19, of the 1700 block of Maple Street, in connection with the same case have been dismissed.

Edward W. Dean, 22, of the 5000 block of Lakeview Drive, Pontoon Beach, was sentenced to serve concurrent one to three-year sentences in prison after pleading guilty to unlawful delivery of a controlled substance in connection with the Illinois Bureau of Investigation case.

That investigation led to the arrests of 22 persons, most of whom he has since released. Sept. 3. Four other persons arrested in connection with that investigation have pleaded guilty to unlawful delivery of a controlled substance and are to be sentenced at a future date.

Gregory E. Forsy, 19, and Diana Kaye Forsy, 19, both of the 800 block of Greenwood St., Madison, are to be sentenced in January on those charges.

Randy Parker, 19, of Paul Street, Mitchell, is to be sentenced Dec. 19, and Charles Reisinger, 30, of the 1700 block of Kennedy Drive, Madison, is to be sentenced Dec. 4, all in connection with the FBI investigation.

Richard Caldwell, 35, St. Louis, was sentenced to serve two years probation, the first 30 days in the Madison County Jail at Edwardsville. He pleaded

guilty to aggravated battery for allegedly using a knife to severely cut Steve Hall, 20, of 2008 Lincoln Ave., at a home on Middlesex Circle June 9.

Kevin C. Garrett, 17, of the 1000 block of Douglas St., Venice, has been sentenced in circuit court to serve one to three years in prison after pleading guilty to theft. He allegedly was among four men who stole 13 tires and wheels from new cars on a Terminal Railroad Association train near Venice April 27.

A burglary charge against Kenneth D. Harris, 17, of the 2000 block of Washington Avenue has been dismissed by the court.

guilty to aggravated battery for allegedly using a knife to severely cut Steve Hall, 20, of 2008 Lincoln Ave., at a home on Middlesex Circle June 9.

fine quality of the people who applied," Bowman said.

He commented the employment service would not have been able to offer such a variety of good applicants to the client, had it not been for the Press-Record article.

"There was no way we could use our files to come up with a perfect Santa Claus candidate. Electricians—yes. Plumbers—yes."

"But to find someone jolly, having the Christmas spirit, loving children and having the right qualifications for Santa—there was just no way to find one without the Press-Record," he said.

Thanksgiving
A tradition for more than 350 years

This Thanksgiving, as we carve the turkey and enjoy the foods of the harvest season, let us remember to be thankful for the freedom we enjoy. And, as we approach the 200th anniversary of the United States of America, let us pay a special tribute to the Pilgrims of the Massachusetts Colony and our other forefathers who came to the New World in search of freedom. The Pilgrims of New England established the tradition of Thanksgiving even though their first years in the New World were rough and the harvest was small. They were thankful for their freedom and for the opportunity to create a colony in a new land, carving a community from the wilderness. We should always remember these brave settlers, for it was they who set the foundations for freedom upon which our country is built.

CHINA & CRYSTAL
Creating a look you'll love
was just the beginning

As has been a tradition for generations,
each piece of Noritake china and crystal is
crafted with quality that is unsurpassed.
Every shape and every decoration in
Noritake's translucent white and ivory china
and Noritake's rare colored china is the work
of a master artist. And you have the good
feeling that goes with knowing Noritake
value is notable. If what you seek here (we
have scores of other patterns) is the first
glimmer of a love affair, come see us. We'll
help you turn that glimmer into a life-long
romance. Each pattern is available in open
stock, place settings and special value
services for 8 and 12.

High school wrestling

SATURDAY, Nov. 29
GCHS North at Assumption 1 p.m.
GCHS South at Danville for triangle meet with hosts and Normal 1 p.m.
MONDAY, Dec. 1
Hazelwood Central at GCHS North 6:30 p.m.

Steelers open at Assumption

The wrestling Steelers of GCHS North open the 1975-76 season Saturday with a 1 p.m. dual meet at East St. Louis Assumption High with what Coach Walt Whitaker believes can be "Perhaps the strongest team since the school's inception in 1973."

North will host Hazelwood Central High of St. Louis County at 6:30 p.m. next Monday.

"We are blessed this year with experience in nine of the 12 weight classes," notes Whitaker. "We are extra strong in the lower weights, which should enable us to apply pressure to our opponents by getting on the scoreboard early in a meet."

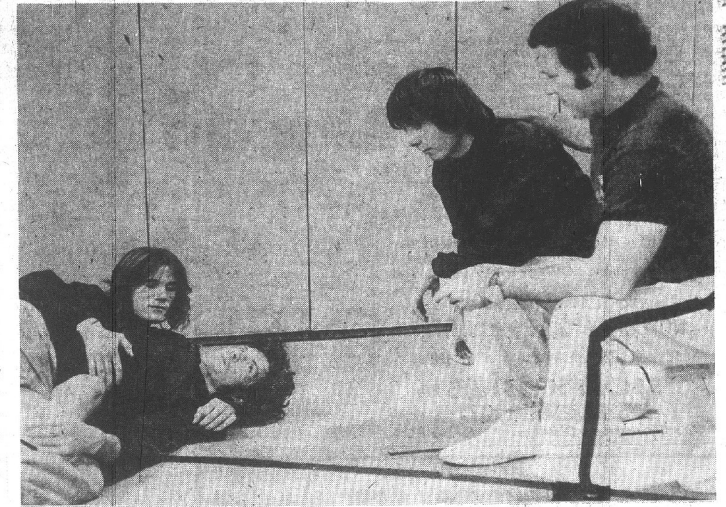

Returning lettermen are: Junior Keith Whelan, 105 pounds; Junior Matt McCullough, 117; Senior Jim Bledsoe, 119; Senior Charlie Taylor, 126; Junior Johnny Sands, 132; Senior Jim Stanton, 145; Junior Mark Widel, 167; Junior James Shemwell, 185; and Senior Dennis Cuvor, heavyweight.

Keith Whelan was a state qualifier last season at 98 pounds. Bledsoe placed third in district competition and Taylor fourth at the district.

Other seniors seeking a starting spot on the team are: Dave Fritch, James Thompson, Terry Schoolfield, Brad Shemwell, Mike Waddell and Darrell Williams.

Whitaker says two sophomores have chances to fill varsity positions—Steve Hoffner at 98 pounds and Don Edwards at 155.

Edwards will be wearing the Steeler uniform for the first time, transferring here from Collinsville.

NORTH HIGH SCHOOL WRESTLING squad includes (left to right) Seniors Charles Taylor, Jim Stanton and Jim Bledsoe, shown with Coach Walter Whitaker. The 1975-76 season is opening this weekend.

Wrestling, basketball instruction

The Coolidge Junior High School gymnasium will be the site this Saturday morning for area youths wishing to receive instruction in the Granite City Park District's youth basketball and wrestling programs.

Participants in each sport will attend training sessions for four weeks before engaging in season competition.

Larry Curry will instruct the wrestling program in fundamentals of take-downs, escapes, reversals and approaches. Boys in the fifth grade through junior high school are to report at 10:30 a.m.

Harry Briggs Jr. will stress basketball techniques of dribbling, passing, shooting and guarding. Boys in grades three and four are to report to the Coolidge gym at 10:30 a.m., after boys in grades five and six report at 9 a.m. Participants must be eligible to attend school in the Granite City school system to enroll in either program.

An insurance fee of \$2 is required of those not already insured through the park district. A non-resident fee is required of participants who do not reside within the park district. There are no other charges for the instruction.

South five at Madison Friday

Granite City High School South opens its 1975-76 cage schedule Friday at Madison in an 8 p.m. basketball game with the Trojans, who started their season last night. The Warriors of South will then play host to Jerseyville at 8 p.m. Saturday.

"Just because we are no longer a member of the Southwestern Conference," says Coach Bryan Wilkinson, "doesn't mean that we do not

have a tough season ahead of us."

He indicated that seven playing dates are with schools which the Warriors did not meet last year, and "at least four of them offer any opponent a strong challenge."

Added to South's cage card are Jerseyville, Taylorville, "Rosary of St. Louis, St. Teresa of Decatur, Hannibal, Mo., Venice and Bloomington. Bloomington was in the state

tournament last season and has a 6-10 center back on the squad. "It definitely will be rated among the top teams statewide again," Wilkinson believes.

Venice, 1975 Class A state champion "is a small school but its quality in basketball is not indicative of the enrollment size." St. Teresa, 1975 Class 2A football champion "has always been strong in athletics and from all indications will be again this season."

"Taylorville is another school that has had a fine basketball program for years."

"And let's not forget the Edwardsville Christmas tournament."

"GCHS North and East St. Louis elected not to compete there this year, but the tournament still should be as competitive as before and it always offers a statewide flavor."

Wilkinson said that, "even with a tough schedule facing us, we are optimistic and believe we are ready to start a new phase in basketball at South High."

All-around team balance, quickness and player depth bolster the confident outlook.

"In the past two years," he said, "we have always had one

or two outstanding players, but now we've got more boys with a couple of years' experience behind them. This should lead to a more balanced offense."

"We are a little on the slim side, but our quickness should help us."

"Other than whatever five start, we can go to the bench and put several other players into the game and receive nearly an equal performance from them."

Wilkinson also is optimistic about the Warrior defense.

"In the past we were forced to play zone and weren't able to press the opponents. This year's squad has a versatile defense."

With Frank Holmes handling the ball on offense, and his quickness should open the way for us." A track and cross-country athlete at South, the 5-8 senior also lettered last season in basketball.

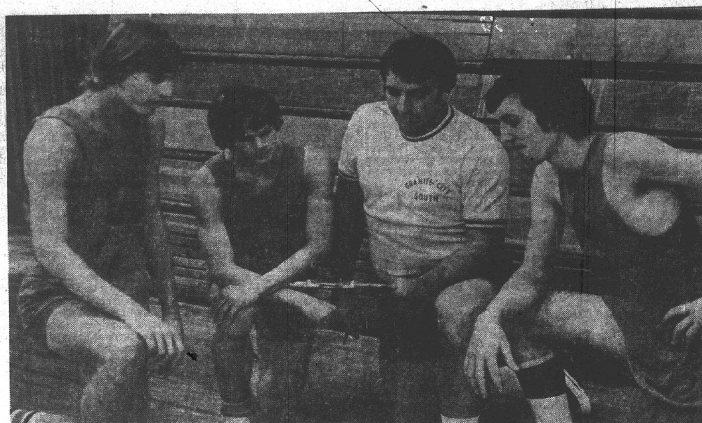

Seniors Rick Fancher and Jim Nolan, two-year lettermen, also are likely starters. Fancher is a 6-3 forward and Nolan a 6-2 center.

Mike McRaven, a 6-2 junior guard, is a returning letterman. Junior John Slay, at 6-4 is a potential starter at forward.

Expected also to see action this season are: Seniors—Tony Stajduhar, 6-1, and Dan Lawrence, 6-8.

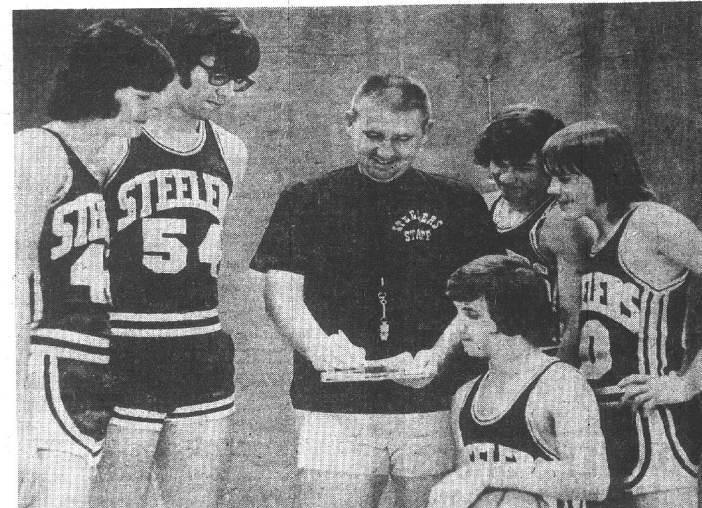

Juniors—Keith Champion, 5-9, John Lakin, 6-1, David Rhodes, 6-4, Eldon Warfield, 5-11, Roland Hurt, 5-11, and Tim Anderson, 6-1.

And sophomores—Terry Angle, 6-3, and Tom Henrich, 5-8.

BASKETBALL WARRIORS ready to start the new season include these players shown conferring with Coach Bryan Wilkinson. All are seniors. Left to right are

Jim Nolan, Frank Holmes, Coach Wilkinson and Rick Fancher.

BASKETBALL STEELERS map strategy for the 1975-76 campaign. Standing left to right are Tom Shocker, Rick Spurlock, Coach William Ohlendorf,

Larry Schleicher and Tim Luehmann. Kneeling in front is Gary Davidson, a junior; the others are seniors.

Road contests for GC North

A busy weekend of travel will inaugurate the 1975-76 season for the Granite City High School North basketball Stealers.

North will play at Belleville East at 8 p.m. Friday and then compete at Alton High School at 8 p.m. Saturday.

The GCHS North quintet was discussed in depth in the Nov. 20 Press-Record, and the Madison High School team was profiled in the Nov. 24 issue.

Detailed articles on GCHS South and Venice High School basketball—and on South and North wrestling—appear in today's Press-Record.

Five of the six Quad-City varsity high school winter sports teams will open their seasons this weekend, and Madison High School began its basketball season last night, against Southwest.

The MHS Trojans' second foe of the young campaign will be GCHS South, at Madison Friday night.

Venice champs return

Three members of the 1975 Red Devil Class A state championship basketball team — Reggie Gardner, James Turner and James Crowder — are back as the 1975-76 Venice High School cagers begin the new season at 8 p.m. Friday at home against Columbia. "But we're sure going to miss the inside play of Mike Henry," notes Coach Richard Essington. Henry was the team's leading defensive rebounder last season with his 6-6 height giving him an advantage over some opposing players. He averaged 17 points a game. Venice's height span this season is 5-11 to 6-2. "Since we don't have a big player," says Essington, "we'll be forced to play differently."

"We may change the tempo of the game, and even run different defensive presses. We are working on two new ones now."

"Rebounding is going to be the name of the game for us, though," adds the coach. "With our height being what it is, we are going to have to check people off the boards."

In checking, one player uses his body, through various maneuvers, to block another player's attempt to get near the basket. This can place a taller player being checked at a disadvantage, since he is forced to reach over the top of the other player in rebounding attempts.

"If we do the job properly," says Essington, "I'm sure we can beat just about anyone we play. And that is going to be a big factor in most of our contests."

Filling Henry's position could be the key to the Red Devils' season success.

A likely candidate is Jaffee Woolfolk, a 6-2 senior who transferred to Venice from Lovejoy High School in Brooklyn. He was a starter with Lovejoy each of the past three years.

Vying also for Henry's position are: Tim Walker, 6-1 senior; Larrick Arnold, 6-0 junior; and Ricky Salmond, 5-11 sophomore.

Jeff Corrie, who engineered plays for the Red Devils, also has graduated. His role has been taken by Turner, a 5-11 senior.

Essington points out, "We will probably be a better outside-shooting club than last season. Gardner, a 6-2 senior, is a good shooter and appears to have retained last season's abilities."

"And Turner is going to be a

STRONG VENICE HIGH SCHOOL TEAM for the 1975-76 basketball season includes (left to right) James Crowder, Jaffee Woolfolk, Reggie

Gardner, Tim Walker and James Turner. All are returning senior lettermen except Woolfolk, a transfer student.

MHS wins

Down 18-19 after one quarter, ahead 38-34 at the half and tied 53-53 entering the fourth period, Madison High School finished with a 59-42 scoring flourish and won 79-42 last night. The MHS season and home opener was with Southwest of St. Louis.

Hitting 29 of 72 from the field for 40 per cent and 21 of 32 free throws, Madison outgunned Southwest's 25 of 65 (38 per cent) and 12 of 24. There were 22 fouls by the Trojans and 23 by the visitors.

In his first varsity game, 6-3 Randall Jones poured in 23 points for MHS. Ron Jones scored 22, Dan Bankhead and Edwin Garrett eight each, Joe Gulash five, Ron Williams four, Ron Davis three, and Clayton Harris and Anthony King, two each.

Howard Richardson led Southwest with 22 points. Curtis Bradley, top MHS scorer last season, is temporarily ineligible.

Ron Jones led in assists, seven, and rebounds, 15.

The Trojans enjoyed a 49-37 rebounding advantage, including 10 by Garrett and eight by Randall Jones.

surprise to a lot of people. He started most of last season, and now has a lot more self-confidence and seems to be a bit stronger.

"I also believe this is going to be a much quicker club than we've seen before."

He views Madison and St. Louis Summer as schools which again will provide strong challenges for the Red Devils. Both beat Venice in regular season play last season.

"And let's not forget East St. Louis Lincoln. It has another good club, and could be hard to beat."

MARRIED. Mr. and Mrs. Robert L. Johnson who exchanged wedding vows at St. Joseph Catholic Church. The bride is the former Miss Teresa Marzluf, a daughter of Mr. and Mrs. Charles Marzluf, 2242 Cleveland Blvd.

Johnson-Marzluf nuptials at St. Joseph Church

The marriage of Miss Teresa Marzluf and Robert L. Johnson was solemnized during a 7 p.m. nuptial mass, celebrated Nov. 7 at St. Joseph Catholic Church by the Rev. Henry Mack.

Bouquets of white mums and red cock's combs decorated the altar for the double ring candlelight ceremony.

Escorted to the altar by her father, the bride wore a long A-line gown of ivory satin, trimmed in Alencon lace and fashioned with a chapel train appliqued with lace motifs.

She carried a bouquet of white roses, gardenias and baby's breath.

Parents of the bride, Mr. and Mrs. Charles J. Marzluf, reside at 2242 Cleveland Blvd. The groom is a son of Mrs. Orville Johnson of Carbondale, Ill.

Attending the bride were her younger sisters, Miss Julie Marzluf served as maid of honor and Miss Elizabeth Marzluf as bridesmaid.

They wore full length burgundy dresses and carried a single long stem white rose festooned with fern, baby's breath and ivory streamers.

The groom chose Jon Mullen as his best man and Harry Lane as groomsman.

Seating the guests were Walter Marzluf, a brother of the bride, and Geoff Ahring, Joseph and Phillip Marzluf, the bride's brothers, served as candlelighters.

For her daughter's wedding, Mrs. Marzluf chose a floor-length green gown of giana nylon. The groom's mother, Mrs. Johnson, selected a long salmon-colored chiffon dress. Each wore a corsage of white rosebuds.

Guests were received by the newly married couple at a reception held in the Officers Club at the Granite City Army Installation.

The newlyweds both teach at Granite City High School North and are residing in Granite City.

200 at Maryville School open house

About 200 parents attended open house last week at Maryville School. Classroom visits followed a brief meeting of the Parent-Teacher Association.

Principal Jack Mulach introduced the teachers and Mrs. Wilma Spurlock, PTA president, conducted the business session.

Mrs. Marge Gray read the unit's new bylaws which were adopted. The room attendance prize and cash award were won by Pamela Weyhaupt's lower primary class.

Also last week, Mrs. Spurlock announced the winning salesmen in the school's magazine sales program. Top student salesman, who received a stereo, was Sarah Todd, a first grade pupil.

Other contestants tallying most sales and earning \$5 awards at each grade level were: Scott Campbell, kindergarten; Chris Lay, second grade; Tod Huffstutler, third grade; Laura Imboden, fourth grade; Aaron Flynn, fifth grade and Robert Fuller, sixth grade. Posters were given children selling \$3 in subscriptions.

Eastern Orthodox youth hosts 3-day conference

A dance at 9 p.m. Friday at Holy Trinity Parish Hall in Madison will open a three-day national meeting of the Eastern Orthodox Youth Association (EOYA), which will take place Friday through Sunday at the Chase Park Plaza Hotel, St. Louis, and Holy Trinity Bulgarian Eastern Orthodox Church, 1300 Grand Ave., Madison.

Miss Kristina Christich of Granite City, general chairman of the convention, said a total of 300 reservations has been received to date. The entire three-day program will be held under auspices of the Holy Trinity Eastern Orthodox Youth group.

The public is invited to attend Friday evening's dance. Music will be provided by the nationally-known Blu Tones of Detroit, Mich.

Ethnic foods, including baklava and zelnicks, will be served. Tickets costing \$3 per person may be obtained at the door.

Other activities during the weekend are a special Divine Liturgy for youth with educational and spiritual fellowship at 9 a.m. Saturday at Holy Trinity Church, with His Grace Bishop Simion presiding, assisted by the Very Rev. Peter J. Stamboldjiev of Holy Trinity and other priests.

A youth business session at 10 a.m. Saturday at Holy Trinity Hall, where a luncheon will be served at the noon hour and sight-seeing excursions for out-of-town visitors Saturday afternoon.

Theta Theta marks Women's Year event

In observance of International Women's Year, a series of slides showing activities of women throughout the world was given last week for members of Theta Theta Chapter of Beta Sigma Phi Sorority.

The group met in the home of Mrs. Debbie Parmley on Grand Avenue. Mrs. Jane Yates and Mrs. Martha Glanakes, members of the UNICEF committee, presented the slide program.

The hostess portrayed Margaret Corbin, an American patriot from the Revolutionary War, part of the "guest from the past" series.

Planning continued for a Christmas party, hosting overprivileged children on Dec. 14, and to hold a chapter dinner Dec. 6 on the Goldenrod Showboat.

Also reviewed were arrangements for a decorated float to be entered in the community's Bicentennial parade next year. Mrs. Linda Givens, president, conducted the business session.

A dessert course was served by Mrs. Parmley to conclude the meeting.

Two drivers hurt

Miss Janice Myatt, 34, of 5167 Old Alton Road, and Donald Petroff, 29, of 2318 Gary Ave., were injured when their cars collided on Madison Avenue at 27th Street at 6 p.m. Monday.

Mrs. Myatt was charged with failure to yield the right of way while making a left turn.

Both were taken by ambulance to St. Elizabeth Hospital where they were released following treatment. Mrs. Myatt suffered abrasions to her right elbow and injuries to her head.

Petroff suffered abrasions to his scalp and left knee.

Grading planned to improve drainage in Dobrey area

Work began yesterday near Angela Drive to clear out trees for grading which is expected to improve drainage from the Dobrey Slough area into the state's holding pond and pump station which is designed to remove water from the slough.

Nameoki Township Auditor Norman Hessler told the Town Board of Auditors Monday night that he, Auditor Lee Adams and Supervisor Louis Whitsell had visited the area and had decided tree clearing, grading and some

landscaping work could improve the drainage into the pump holding pond, thus alleviating standing water in the Angela Drive area.

Whitsell said men made available to the township under the Madison County Manpower grant were directed to start the work Tuesday. The action was taken under the board's authority to clear health hazards, Whitsell explained. The town board voted to increase Whitsell's surety bonds to \$225,000 for each of the town

fund and the road and bridge funds, a total bond of \$450,000. His bonds formerly totaled \$225,000.

A letter was read from Madison Mayor Mike Sasyk which detailed the cost of having a school crossing light installed at Sixth Street and McCambridge Avenue for which a former town board in 1969 agreed to pay half.

Sasyk requested \$6,791 as the township's share of the cost. Hessler asked the township's attorney, H. Carl Runge Jr., if the money could be paid from town funds and Runge gave an opinion that a crossing light could only be paid from highway funds.

The auditors asked Nameoki Township Highway Commissioner Albert Bell if he would pay Sasyk's bill if he transferred the money into the highway department's funds and Bell said he would.

The board then voted to transfer \$6,791 from the revenue sharing health category of the town funds into the highway department's funds and Bell

was requested to have Sasyk's bill on the bill list for the township's next meeting at which time it is to be approved for payment.

Bell told the board he wanted to pay Madison County the remaining portion of the township's half of the cost of constructing a bridge on Black Lane in State Park Place.

Whitsell noted the final bill is more than \$19,000 and the amount in the fund now is insufficient to make the complete payment.

He noted the funds are tied up in 90 day certificates of deposit and when the certificates mature, the extra dividends will be enough to make the fund sufficient for final payment.

The auditors agreed to wait for the certificates of deposit to mature before making the payment.

The annual report of all township funds was presented by Oliver Schneider, certified public accountant, St. Louis, and noted no major problems in any of the funds.

The board ordered bills paid totaling \$2,575 from the town fund, \$2,173 from general assistance, \$10,533 from the general road and bridge fund, \$7,494 from the special hard road fund and \$911 from federal revenue sharing.

Meeting needs of people hospital's main concern

"Are we meeting the needs of the people?" is the question that hospital board members and Sisters of Divine Providence are always asking themselves, according to Sister Mary Thomas, president of St. Elizabeth Hospital, who was guest speaker at the Tuesday noon meeting of the Granite City Rotary Club.

The hospital is a corporation with the Sisters being the members of the corporation. They meet once a year to officially appoint the board of directors and review the policies of the hospital, keeping the Christian influence in mind, she said.

Recommendations for members to the hospital board are made to the Sisters by the current members of the board.

The hospital has an overall occupancy of 87 per cent of its 400 beds, but there are several areas still in need of expansion.

"Our cafeteria is too small and it takes people nearly an

hour to get lunch. We ask our visitors to let the hospital staff go first in line and the people are very nice, but the cafeteria set up is inadequate for a hospital of our size," she said.

"We also have problems and need to expand our warehousing facilities. The government requires us to keep records for several years and this takes up more and more space."

"X-ray technology is improving. The equipment and machines need more and more room for us to keep abreast of the latest advances in this area."

"We must increase our psychiatric capacity with more beds. We are averaging about 190 per cent capacity in psychiatric patients which means we must find beds in other parts of the hospital," Sister Mary Thomas added.

"The hospital owns the land on which our parking lot is located and we lease the lot to a parking lot company. We use the money from the parking lot

to further expand the parking we have. There's no question that we need more parking and this is another area in which we need to expand."

"The assessed valuation of our current facilities is \$29 million."

She explained that 49 per cent of the income comes from federal government sources such as medicare and medicade. A financial problem to the hospital, according to the president, is that the government froze payments at 1974 levels, but prices have increased on almost everything since then.

"The two biggest problems we have at the hospital is keeping up with government regulations and the ever-increasing technology."

She explained that the Sisters of Divine Providence look over operation of the local hospital in 1921. The Order came to the United States in 1876 and is celebrating its 100th anniversary this year.

John Scaulat dies at 87

John Scaulat, 87, of Rural Route Three, Wentville, Mo., a retired employee of Illinois Power Co., died at 5 p.m. Monday at the Marle Nursing Home in Wentville.

He was born in Germany. Survivors include his wife, Mrs. Emma Scaulat; one son, Harold Scaulat; a daughter, Miss Mildred Scaulat, preceded him in death.

Funeral services were held at 2 p.m. today at a Wentville funeral home. Burial was in St. John Cemetery, 2901 Nameoki Road.

Founded in 1856 in Mainz, Germany, the Sisters of Divine Providence specialize in the health and education fields. The Order operates health care facilities of varying sizes in several countries.

Rotarian B. P. Pinney safety and security director for the hospital, was the program chairman and introduced the speaker.

Nameoki abandons 'pickup' service

An environmental cleanup program under which Nameoki Township has been picking up tree and bush clippings and discarded items from township residents free of charge, will be discontinued after Friday, the Nameoki Town Board of Auditors decided Monday night.

The program originally was funded by federal revenue sharing, but has been kept operating the last month on funds transferred from other accounts.

Although using men obtained free of cost to the township under the Madison County Manpower grant, the costs of fuel, dumping the trucks and maintenance have exceeded the program's budget for the fiscal year, it was noted.

Township Supervisor Louis Whitsell noted that anyone having tree trimmings already in the street may call the township office and make arrangements for having them picked up free, but no new trimmings will be accepted.

The board will have to determine at a later date whether the program will be resumed in the next fiscal year. The Manpower employees will be transferred to other highway duties, it was noted.

On the advice of its attorney, the board decided to contact the architect and contractor of a new addition on the town hall, requesting that they share with the township the expense of relocating a natural gas main under the addition.

The auditors agreed to notify Illinois Power Co. to begin work as soon as possible on relocating the main, since it presents a threat to the addition.

John Cohen, architect of the building, told the board that the existence of the gas main was overlooked during planning for the addition since the township decided to construct the building without a registered survey, which would have cost \$500 to \$600. He said he felt it is the township's responsibility to pay the cost of relocating the main.

The board requested Runge to study plans by an auto salvage firm to expand its operations within three feet of the garage of a township resident. The resident objected the expansion would devalue his home. A resolution was passed endorsing a Hillside Drainage Program completed by the

Southwestern Illinois Metropolitan Area and Regional Planning Commission. The resolution also endorses implementation of the program as soon as possible.

Joseph Boyer, chief of the newly organized State Park Police Unit 32A told the board that the department's squad car, purchased through a grant from the township, is being prepared and should be delivered during December. He said the State Park department should be operational as soon as the car arrives.

Boyer asked the township whether the police department, Madison County Sheriff's Department or the township should purchase insurance on the police car. The board referred the question to Runge for an opinion.

Runge noted the township's suit against a heating contractor whose business was constructed in a residential district, allegedly without proper zoning authority, has been refilled. Deliberations in the case are not expected to begin until about January.

The board took under advisement an insurance proposal for the town hall and its contents, and an offer from a consulting firm offering to help the township obtain grants for park lands.

Auditor Kenneth Gieson noted that the county has given Plaza Savings & Loan Association 15 days to clear the remains of a house on Vine Street which was damaged by fire. He said the delays encountered have been the result of attempts to reach agreement with an insurance company before the structure is demolished.

A letter was read from Whitsell's Ed Moore Construction Co., general contractor of the town hall addition, offering to make the final payment of \$500 on the building as soon as minor painting work is completed. It was noted that all other problems have been satisfactorily repaired.

STEAL \$225 RADIO

A \$225 citizens' band radio was stolen from the auto of Richard Kriz, Wentville, Mo., parked near 3006 Village Lane, it was reported at 5:25 a.m. Monday. The left wing vent was forced open and the left window was rolled down to gain entry.

Steelers honored

Nearly 400 parents, friends and educators honored the 43-1 football Steelers at a banquet last night in the GCHS North cafeteria.

Larry Schleicher, named by the Chicago Daily News today to the all-state team and a regional first-team selection on both offense and defense, was honored last night as most valuable player.

Barry Jateff was named top offensive back, Tom Stanford best defensive lineman and Doug Heth the Steelers top offensive lineman. Co-captains were David Kwiatkowski, Schleicher and Heth.

Athletic Coordinator Donald Deterding was master of ceremonies. Principal Gilbert Walmsley spoke, and awards were announced by Coach Tom Wyrostek and members of his coaching staff.

Letters and other awards were presented.

Water mopped up at hospital

Flooding from an undetermined source affected the ground floor of the oldest wing of St. Elizabeth Hospital this morning, the water reaching a depth of six inches in some places.

Affected were the medical records office, doctor's lounge, cafeteria and a hall between the cafeteria and medical records office.

Nearly normal operations were restored by mid-morning. There was no effect on patient services.

ANNUAL TEA

The Bethel African Methodist Episcopal Church of Venice will hold its annual "White House Tea" at the Venice Recreation Center, 305 Broadway, Sunday from 4 p.m. until 6 p.m. Rev. E. J. Seals is pastor and Mrs. Cornelia Owens is the chairman.

Conservative attitude as county voting on budget begins today

A hardline stand against further increases in the 1976 Madison County budget was taken by most members of the Madison County board this morning as they began voting on approval of a final budget draft.

The board began consideration of the new budget after J. J. Gramlich, Highland, chairman of the Finance Committee, said in his budget message that the proposed budget "is a balanced budget, realistic and will permit the county to end the year in the black."

He predicted a tax rate of 10 cents to 11 cents per \$100 assessed valuation for the general fund, depending upon

the assessed valuation for the 1975 year.

He noted that the general fund tax "could go to 12 cents, but we refuse to add an additional one-cent tax burden on an already overburdened public."

Several requests for additional funds were turned down as the discussion opened. The only exception was the approval of an additional \$10,000 for the supervisor of assessments to pay publication costs.

The board expects to complete its budget work in today's board session.

The tentative budget offered the board projects expenditures of \$10,358,338 in all accounts, including a \$4 million expenditure for a new county jail.

Waldo Sizemore, 72, dies here

Waldo J. Sizemore Sr., 72, of 1024 Third St., Venice, died at 10:10 p.m., Tuesday at St. Elizabeth Hospital where he had been a patient four days.

Born in Kentucky, he resided in this area 50 years.

Mr. Sizemore was employed at the American Steel Foundry for 40 years as a diesel engineer prior to his retirement seven years ago.

Survivors include his wife, Marion.

Mrs. Beulah Sizemore, one son, Waldo Sizemore Jr., of Granite City; two grandchildren and four great-grandchildren.

Funeral arrangements are given in the obituary column.

Hospital notes

Patients admitted to St. Elizabeth Hospital Sunday:

Ezra Bennett, 204 Pacific, Madison; Wanita Davis, Caseyville; Pamela Waltz, 2643 Circle; Billy Mallory, Troy, 7 m.s.; Linda Wade, Rural Route Two, Box 5107; Delmar Groves, 2119 Bryan; Thelma Yates, 225 Holiday Mobile Homes; James Gromer, 223 Holiday Noble Homes; Ausborn Merritt, Brooklyn; Tonya Reynolds, 6, of 2504 W. 23rd.

Marion Heidbrink, 4933 Willow; Brenda Smith, Edwardsville; Patricia Chamberlain, Collinsville; Thomas Pabst, Edwardsville; Lula Hughes, Brooklyn; Eulah Simmons, Rural Route One, Box 418; Hattie Jones, 720 Twenty-eighth; Mary Thebeau, 1222 Iowa, Madison; William Easler, 1723 Courtonay; Doris Petersen, 2527 Edgewood.

Teria Goodwin, 8, of Caseyville; Laura Levering, Edwardsville; Janice Johnson, 2215 Missouri; Richard Renner, 9, of 2439 Hemlock; Josephine Ortiz, 18, of 3024 Warren; Mary Ortiz, 9, of 3024 Warren; Mildred Harris, 2932 Washington; Roland Brown, 2231 Edwards; Linda Aumann, Edwardsville; Mandy Mason, 2243 Cleveland; Pamela Gregory, 2149 Roberts.

CAR LOOTED

Edward Kofahl, 2509 Angela Drive, reported at 1 p.m. Tuesday the theft of three items, worth \$998, stolen from his locked auto while the vehicle was parked near the Grant City store. Taken were a Les Paul guitar, valued at \$800, a full-length suede coat, \$150, and an 8-track stereo tape-player, \$48.

JOSEPH RIGGINS NAME SOON MATTHEW ETHAN

Mr. and Mrs. Joseph Riggins of Highland, formerly of Granite City, are announcing the birth of a boy on Monday, Nov. 24, at St. Elizabeth Hospital.

The new arrival weighed six pounds, 13 ounces and has been named Matthew Ethan. He has a 4-year-old sister, Heather Erin.

Grandparents are Mr. and Mrs. Charles Riggins, Edwardsville, Mr. and Mrs. Leroy Hartwick and John Hogan, all of Granite City.

The mother is the former Cynthia Sue Hogan.

Warriors praised

In addition to receiving school letters, athletes in Granite City High School South's golf, cross-country, soccer and football programs were accorded special recognition during the Warriors' fall sports banquet last night at the school cafeteria, attended by 270 persons.

Warriors Joe Fedora and Kevin Worster were cited as captains of Coach Harry Lane's golf team, and Worster was chosen as most valuable player of 1975.

Four athletes received special awards for their season performances in cross-country. Coach Richard Harmon recognized Glen Ahlers as most improved runner, Frank Holmes, Mr. Roadrunner of 1975, Don Meagher, most dedicated runner, and Scott Ahlers, most outstanding freshman.

Coach Gene Baker's soccer squad was cited for many accomplishments, including a state tournament berth, and individuals presented special awards by Baker were: Mark Goldschmidt, most valuable player; Gerard Alvarado, soccer award; Greg Feigl, most improved player; and Gary Phelps, defense award.

The football Warriors were praised by Coach Stan Wojcik for their winning season.

The grid menior gave recognition to three players with special awards: Doug Hartman, outstanding lineman; Joe Ward, outstanding back and most valuable player; and Keith Moran, "most inspirational" senior.

Kenneth Spalding, master of ceremonies and an assistant principal of GCHS South, announced Jeff Parker as this year's recipient of the Chris Marcovsky award for outstanding performance by a freshman player.

Chapter HT hears report

Mrs. Lucille Marshall, a member of the Bay View Chapter HT, PEO Sisterhood, gave a report on the supreme convention of the PEO Sisterhood held during the summer in Boston, Mass., at a meeting of the local Chapter HT.

The guest speaker outlined the highlights of the convention which covered PEO projects including the educational fund, the international peace scholarship, Cotley College and continuing education.

Fourteen members and Mrs. Marshall met in the home of Mrs. A. C. Stover on Monday.

President Mrs. R. E. Backs opened the meeting and announced the Christmas party on Dec. 8 will be held in the home of Mrs. Maurice Dailey of Edwardsville.

A dessert luncheon was served by the hostess.

Mat Warriors begin year at Danville

Granite City High School South's tradition of producing a strong, state tournament material wrestling team may be in jeopardy this season, says

Coach William "Red" Schmitt, who will start his 30th year as the school's mat coach when the Warriors open their 1975-76 campaign Saturday at Danville.

"We are lacking experience in our lower weight classes," says Schmitt, "and that is the area in which we've always been the strongest."

Seven state tournament experienced matmen were lost in 1975 through graduation.

"Equesting a wrestling meet with a football game, which is divided into halves," says Schmitt, "it looks like at the end of the first half we are going to be on the short end of the score. This could put a heavy burden on our wrestlers in the second half of the meet."

Graduates include Jim Caschetta at 98 pounds, Woody Halbrook 105, Steve Garland 112, Kevin Page 119 and Don Hasty, 138.

"One thing we can look forward to," he said, "is that the

relatively inexperienced wrestlers, replacing those named will be gaining valuable varsity experience which will put them in good stead for the future."

While the Warriors have experienced matmen in the heavier classes, the possibility of "overcrowding" in those classes may create problems.

"Some of our experienced wrestlers will not make the starting lineup," says the head mentor, "due to our having three and four of them vying in some weight classes."

"A good example are the heavyweight and 185-pound classes. We have good experience in Kevin Wilson, Jerry Patterson and Mark Naglich. But before the season begins only two of the three will be on the team as starters."

"We have a similar situation in the 138 and 145-pound weight classes."

Schmitt believes the school's winning tradition can play a psychological role.

"But there are some good teams on the schedule who aren't psyched out by Granite City anymore. So, from that standpoint, tradition may help us win a few matches, but it won't carry us through the season."

"We aren't going to have easy pickings anywhere."

Schmitt expects strong competition from many of the opposing schools, including Belleville East, Edwardsville, Collinsville, GCHS North, Pekin and Mattoon.

"Some of these schools have been pretty 'hungry' through the years because they have never beaten us and I can feel them chewing at us now."

Returning lettermen from last season's squad (with record indicated) are: Patterson, a

Hoop shoot approaching

Richard Yates, chairman of the Ellis Lodge 1003 "hoop shoot" free throw contest to be held here Dec. 13, is reminding interested participants—Quadrant City area boys and girls aged 8-13—that applications will not be accepted after Tuesday, Dec. 9.

The local competition, part of a contest which will conclude with state finals, will be conducted at Grigsby Junior High School Saturday, Dec. 13, with starting times differing by age groups—12-13 at 10 a.m., ages 10-11 at 11:30 a.m., and ages 8-9 at 1 p.m.

A girl and a boy champion and girl and boy runnerup from each of the three age divisions will advance to district competition in January.

Interested youths are to sign up at a designated place in their respective schools by Dec. 1.

Applications then will be sent to each school and prospective contestants must complete the forms and return them by Dec. 9.

Open basketball play will start

The Granite City Park District has announced this Saturday will mark the beginning of weekly basketball practice sessions at Prather and Coolidge Junior High Schools for those wishing to utilize the gymnasiums for that purpose.

Mike Jessee, park district recreation coordinator, says, "This is open play for anyone to practice basketball."

There is no charge or registration necessary.

At Prather, open play hours are from 9 a.m. to noon, and at Coolidge, 1 p.m. to 4 p.m., every Saturday throughout the basketball season except on Dec. 27.

Initiate grievance plan

An official grievance procedure required under Title IX regulations of the U. S. Department of Health Education and Welfare has been initiated by Madison School District, it was announced this week.

Title IX regulations include those that also forbid discrimination on the basis of sex in physical education, sports and other school activities.

The grievance procedure works as follows: a student or an employee shall present a complaint in writing to the grievance officer. In the Madison district, Wade James, assistant superintendent of schools, and Mrs. Marguerite Connole, assistant director, are handling Title IX grievances. The grievance team then investigates within five working days and arranges a hearing before a disinterested third party known as a hearing officer who then, within five working days from the hearing, gives an opinion to the student or employee and the grievance team.

If the student or employee still is not satisfied, he may present in writing a statement of the

grievance to the superintendent of schools who may refer it to the Board of Education or an impartial arbitrator for a possible solution.

If all else fails to satisfy the complainant, he may file a complaint with the circuit court.

A grievance file will be kept in the office of the grievance officer. The file will be confidential but the person filing the complaint may have access to the file under the Title IX regulations.

Study ways to retain nuclear subs' officers

House Armed Service Committee Chairman Melvin Price of this district has announced that members of the Military Compensation Subcommittee visited Rota, Spain, and Holy Loch, Scotland, during the Thanksgiving Congressional recess to interview nuclear-trained personnel assigned to Polaris missile submarines. The three-member delegation from the subcommittee was headed by Rep. Samuel S. Stratton (D-N.Y.), the subcommittee chairman, and included Rep. George M. O'Brien (R-Ill.), ranking Republican on the subcommittee, and Rep. Antonio B. Won Pat (D-Guam).

The subcommittee was accompanied by two members of the committee staff.

Price explained that in the face of increased early resignations of officers from the Navy's nuclear force, as reported by Adm. Hyman G. Rickover, the subcommittee is considering legislation to provide special incentive pay for nuclear-trained officers who man ballistic-missile submarines.

The subcommittee took testimony personally at two of the major nuclear-submarine bases from junior- and middle-grade officers who would be affected by the legislation.

"This is the approach that was taken by the subcommittee when it considered the flight-pay bill last year," Price said.

"The approach allowed the committee to develop successful flight-pay legislation. Talking to members of the armed services in the field who are affected by the legislation gives the subcommittee insight into the problem which could not be gained merely by listening to officials in Washington."

"The information the subcommittee found in its travels was sometimes at variance with that received in official Pentagon testimony. We want to

find out if the submarine problem is really related to pay or perhaps to some other conditions."

Drivers should prepare for winter, Veizer says

Emergencies come, and according to Police Chief Ronald J. Veizer, it's the responsibility of the police department to handle all types of emergency situations efficiently and effectively.

But there's one type of emergency situation that is unpredictable, according to the chief - it's the sudden winter storm that catches drivers unprepared. He listed lack of foresight, impatience and failure to adjust to conditions among the main driver errors causing most bad-weather collisions.

He offered the following tips provided the International Association of Chiefs of Police and based on recommendations from the National Safety Council's Committee on Winter Driving Hazards:

Before you start, clear your windshield, side and rear windows of ice and snow. Free up the wiper blades and clean snow from the hood. Peephole fogging is an invitation to disaster.

Clean headlights and taillights thoroughly. Keep the windshield washer reservoir filled with the proper antifreeze solution for prevailing temperatures.

Run heater and defroster a few minutes before you start. Otherwise, sudden fogging of the glass could blind you.

On the road, steer steady on ice and snow. Don't make abrupt changes in direction. Anticipate lane changes and turns. Make them gradually.

If you must drive during severe snow and ice conditions, use reinforced tire chains for maximum traction in deep snow and glare ice.

Keep speed down and give yourself plenty of following distance in traffic. You need lots of room to steer and stop on winter slick roads and streets.

Slow down well ahead of intersections. They're apt to be extra slick because of the polishing effect of stopping and starting traffic.

Watch for warming trends, they lead to trouble. Ice is twice as slippery at 30 degrees as it is at 0 degrees.

Even though most of the road is clear, watch ahead for icy patches in shady spots - tree shadows and underpasses. If you hit one unexpectedly, hold the wheel steady and roll through. Jamming on the brakes will only send you into a skid.

If you do skid, don't panic. Steer in the direction that the rear of the car is sliding. Don't oversteer. When you feel the car straighten out, turn the wheels straight and keep rolling.

If you're stuck in the snow, turn your front wheels back and forth to push snow away from your tires. Shift to the highest gear, and, with a gentle foot on the gas, try to ease out without spinning the wheels. You'll dig in deeper if you spin.

If that doesn't work, try rocking by alternately shifting between forward and reverse.

ACHENBACH PATIENT AT ST. ELIZABETH HOSPITAL

Roy Achenbach, 2410 Sheridan Ave., is a patient at St. Elizabeth Hospital, where he is expected to remain for an indefinite period.

Achenbach was transferred to the local hospital yesterday after spending the past week at St. Luke's Hospital, St. Louis.

Check your owner's manual for advice on "locking" with an automatic transmission to avoid costly repairs.

Recognizing in advance the limitations that adverse weather places on driving and vehicle control, Veizer said, is the best way you can keep an emergency from turning into a disaster.

Thanksgiving at Gospel Mission

The Rev. Charles Williams, superintendent of The Sunshine Mission in St. Louis, will be guest speaker at a special Thanksgiving Day service at 7 p.m. Thursday at the Gospel Mission, 2014 E. 20th St.

The public is invited to attend. Ample parking space is provided at the rear of the mission building, Mrs. Bethel J. Davis, superintendent, announced.

On Sunday evening at 7 o'clock, the Rev. L. S. Bassano of St. Elizabeth's will speak at the local mission. The minister-evangelist led a well-attended 10-day revival here in October in observance of the Gospel Mission's 57th anniversary, Mrs. Davis said.

Honor Mrs. Hennrich

The birthday of Mrs. Grace Hennrich was observed and she was presented with a gift from members of a card club which met Thursday in the home of Mrs. Margaret Richardson, 2245 Pontoon Road.

Plans were finalized for a Christmas dinner party on Dec. 18 at Charlie's Restaurant, followed by a meeting in the home of Mrs. Agnes Schwartzkopf, 1637 Lindell Blvd.

Card games were played during the evening and prizes awarded to a guest, Mrs. Marie Perry, and Mrs. Schwartzkopf, the honoree and hostess.

Also present were Libby Lombardi, Grace Range, Vera Carey and Leona Parente.

Youths steal truck

Two youths were seen driving away from Trojan Products Co., 1950 State St., in a company van at 11:45 a.m. Monday.

Police were notified by the owner, Leo DeForge, who said the van had been unlocked and parked with the keys in the ignition. He said the two youths drove the car south in the alley and then east on 19th Street.

Minutes later, police found the van parked on 19th Street between Grand and Madison avenues. Two juveniles were stopped a short time later and were questioned by juvenile authorities. They were released without charges when DeForge was unable to identify them as the ones who were seen driving the van.

Promoted in AFB

David W. Rice, son of Mr. and Mrs. Orel L. Rice, 16 Shirlwin Drive, has received his first promotion in the U.S. Air Force.

Rice, a graduate of Saratoga, recently completed technical training at AFB, Colo. He is now assigned at Saratoga Air Force Station, N.Y. He serves as an inventory management specialist with a unit of the Aerospace Defense Command.

The airman is a 1974 graduate of Granite City High School North.

DESIGNED AND FABRICATED in Madison. Mrs. Mary Hideg works on one of the Christmas door wreaths made in the workroom of Schermer's Garden Shop in Madison.

Garden shop offers an array of beauty

By WALTER STRANGE
Press-Record Staff Writer

A wonderful world of color is one way to describe the Schermer's Garden Shop at 12th Street and Madison Avenue, Madison.

Most of the Christmas items on display are designed and fabricated at the shop, such as the brightly-colored door wreaths, hanging baskets and cemetery wreaths, in addition to table center pieces and many other decorations.

The items are locally made by Mrs. Ruth Ohlendorf, manager of the Garden shop, and Mrs. Gail Lipe and Mrs. Mary Hideg, designers.

The "tree room" offers a spectacle of beauty with 40 lighted and decorated trees on display. The shop features the largest collection of miniature tree lights and the largest collection of artificial flowers in the metropolitan area, ac-

cording to Mrs. Ohlendorf. The "Crystal Room," managed and decorated by Mrs. Mary Maccek, features domestic and imported garland of different colors, styles and themes, many with decorative wreaths to match.

The room also features hanging baskets of reed, ceramic, clay and imported items for decoration; plus artificial fruits and vegetables that look real enough to eat.

The "Decorator's Room" features Christmas tree ornaments both domestic and imported, and many made locally at the Garden Shop.

Then there is the tropical greenhouse with live plants and live hanging baskets.

On Friday, the shop will have live Christmas trees that can be planted for years of enjoyment after the decorations have been taken off. Also available after Thanksgiving will be live pine

CHRISTMAS BEAUTY ABOUND. The "Tree Room" in Schermer's Garden Shop has 40 decorated and lighted trees on display, offering an almost unbelievable scene of beauty. Putting the final touches on the trees are Mrs. Gail Lipe, left, and Mrs. Ruth Ohlendorf.

trees, fur trees, balsam boughs, pine roping, live wreaths, and holly.

"We have picked up a lot of ideas from attending trade shows in Chicago, New York City, Atlanta and Kansas City," Leo Schermer owner of the Garden shop, said. "We think we have one of the finest shops

of its kind anywhere in the United States right here in the Quad-Cities."

J. E. Mabe in Army exercise

Army Specialist Four James E. Mabe, 19, son of Mr. and Mrs. George O. Mabe, 4155 Breckenridge Lane, participated in Exercise Reforger in Germany.

Spec. Mabe is regularly assigned as a mechanic in the 580th Maintenance Company in Kornwestheim, Germany.

Purpose of the annual exercise was to sharpen techniques for receiving, equipping, assembling, and deploying dual-based units.

This year the exercise was incorporated in a broader,

coordinated series of NATO and national exercises known as the 'Autumn Forge 75 Exercise Series.' The broad objective of the series was to improve the capability of NATO forces.

The U. S. Air Force Military Command flew approximately 10,000 U. S. based soldiers and their equipment to Germany to participate in the exercise.

The specialist entered the Army in December 1973, completed basic training at Fort Leonard Wood, Mo., and was last stationed at Aberdeen Proving Ground, Md.

"Doin' Our Thing" Is Working For You!

At Germania Federal

We
Always
Have Time
To Help —

- By providing home loan counseling when you purchase a home.
- When you need a home improvement or mobile home loan.
- Our Transmatic plan will automatically transfer funds from your checking account to your Germania Federal savings account or for loan payments to Germania Federal.
- Our Prestige Card account will allow you to cash a check at any Germania Federal office or get an emergency cash advance at approximately 1800 savings and loan offices coast to coast.
- If you're self employed or not now included in a retirement plan, we will start a Keogh or an I.R.A. account for you.
- Every saver is insured to \$40,000 by the FSLIC, a U.S. Government Agency.

In Memoriam 33
In loving memory of DOROTHY
DOOLITTLE, November 27,
1958.

Often sit and think of her
When we all alone
For memory is the only friend
That grief can call its own.
Take my love and the withered oak
When all other things decay
Our love for her will still
Keep green and never fade
away.

27, 1956. Sadly missed by—
HER FAMILY 33 11 26

GRANITE CITY PRESS-RECORD
ANNOUNCEMENT OF INTENT TO PERFORM FLOOD ELEVATION STUDY
IN THE CITY OF GRANITE CITY

The Federal Insurance Administration of the U.S. Department of Housing and Urban Development announced today that under authority of the National Flood Insurance Act of 1968, as amended (P.L. 90-448), and the Flood Disaster Protection Act of 1973 (P.L. 93-234), it will fund a detailed study of the flood hazard areas in the City of Venice, Madison County, Illinois.

The study will be performed for the Federal Insurance Administration by the U.S. Army Corps of Engineers, St. Louis District, St. Louis, Missouri.

The purpose of this study is to examine and evaluate the flood hazard areas in the community which are developed, or which are likely to be developed, and to determine flood elevations for those areas. Flood elevations will be used by the community to carry out the flood plain management objectives of the National Flood Insurance Program. They will also be used as the basis for determining the appropriate flood insurance premium rates applicable for new buildings and their contents, as well as determining the rates to be used for the second layer of insurance on existing buildings and contents.

This announcement is intended to notify all interested persons of the commencement of this study so they may have an opportunity at a public meeting, soon to be announced, to bring any relevant facts and technical data concerning local flood hazards to the attention of the Chief Executive Officer of the community for forwarding to the appropriate representatives of the Federal Insurance Administration.

ANNOUNCEMENT OF INTENT TO PERFORM FLOOD ELEVATION STUDY
IN THE CITY OF VENICE, ILLINOIS

The Federal Insurance Administration of the U.S. Department of Housing and Urban Development announced today that under authority of the National Flood Insurance Act of 1968, as amended (P.L. 90-448), and the Flood Disaster Protection Act of 1973 (P.L. 93-234), it will fund a detailed study of the flood hazard areas in the City of Venice, Madison County, Illinois.

The study will be performed for the Federal Insurance Administration by the U.S. Army Corps of Engineers, St. Louis District, St. Louis, Missouri.

Public Notice 34
ADVERTISEMENT FOR BIDS
FOR THE CONSTRUCTION
OF A SANITARY SEWER
TO SERVE THE
JUNIOR HIGH SCHOOL
NAMEOKI AND
FEHLING ROADS,
GRANITE CITY, ILLINOIS
Sealed proposals in duplicate for the Construction of a Sanitary Sewer to serve the Junior High School located at Nameoki and Fehling Roads, Granite City, Illinois, will be received by the Board of Education of the Community Unit School District No. 9 at its office, 20th and Adams Streets, Granite City, Illinois, until 3:00 p.m. on November 27, 1975, and then be publicly opened and read.

The project consists of the construction of a deep 12-inch gravity sewer and appurtenances, or as an alternate, a shallow 8-inch gravity sewer with a sanitary sewage lift station, and appurtenances. The proposed work is being done as authorized by the Board of Education of the Community Unit School District No. 9, and the plans and specifications are on file in the Engineering Department, where they may be inspected by prospective bidders.

Proposals for said work must be made on printed forms prepared by the Engineer and must be accompanied by a cash deposit in the form of a cashier's check upon some banking institution in Granite City, Illinois, satisfactory to the Board of Education, payable at sight to the Board of Education, Community Unit School District No. 9, for ten percent (10 per cent) of the amount of the proposal.

Prospective bidders may obtain copies of the detailed plans, specifications, form of contract and bidding blanks from the Director of Buildings and Grounds. No deposit will be required. It is requested that plans and specifications be returned to the School District Office after the bid opening.

The successful bidder will be required to furnish a performance bond in the full amount of this Contract, said bond to be satisfactory to the Board of Education. The Board of Education hereby reserves the right to reject any or all bids, or to accept the one that in its judgment will be for the best interest of the Community Unit School District No. 9.

Mr. George E. Moore, President
Board of Education

GRIEVANCE PROCEDURE
TITLE IX SEC. 86.8
A. A student or an employee shall present his grievance or writing to the grievance officer.
B. The grievance officer shall investigate within 5 working days the grievance and arrange for a hearing.
C. Within 5 working days a statement shall be held by the hearing officer—(disinterested third party.)
D. The hearing officer shall render his opinion to the grievance officer and the student or employee within 5 working days from the time of the hearing.
E. Failing a resolution at state D. the student or employee may present a statement of his grievance to the superintendent who shall determine the matter or:
A statement to the board of education who shall determine the matter;
A statement to an impartial arbitrator who shall determine the matter.
F. Failing a resolution at state E. the grievant may file a lawsuit with the circuit court.
There shall be no reprisal against any student or employee for filing a grievance or for utilizing the grievance procedure. For the purpose of this procedure, confidential informants shall not be included in the personnel file or an employee's personnel file, the grievance file shall be kept in the office of the grievance officer; the grievant has the same access to this file as he does his own personnel file.

After school activities at library

The Children's Department of Granite City Public Library will offer a series of activities through December.

Pre-school story hours will be open to all children and will be held on these weekdays in the Children's Department:
Tuesday, 10 a.m. and 1 p.m.; Thursday, 10 a.m.; Friday, 10 a.m.

Activities after school for the next two weeks include:
Tuesday 3:30 to 4:30 p.m. "Making Things Yourself" crafts hour for elementary school children; Wednesday, 3:30 to 4:30 p.m. "Puppets, Puppets and Puppets" for elementary school children; and Thursday, 3:30 to 4:30 p.m. "Needlepoint for Beginners" for children in the third and higher grades.

After-school movies are scheduled on Mondays at 3:30 p.m. The movies during December will be, Dec. 8, "Many Moons"; Dec. 14, "Peter and the Wolf"; Dec. 22, "A Christmas on Grandfather's Farm." Saturday afternoon, Dec. 16, the movie will be "Abby Cadabby Meet Mr. Jekyll and Mr. Hyde."

For Christmas, "Making Things Yourself" crafts hour on Tuesday, Dec. 16, 3:30 to 4:30 p.m. and on Thursday, Dec. 18, 3:30 to 4:30 p.m. there will be a children's program on cookie decoration.

Louis Brusatti attends seminar

Louis H. Brusatti of Granite City, attorney at law, attended a seminar of the Independent Accountants Association of Illinois.

The seminar, held at the Holiday Inn of O'Hare Kennedy, Rosemont, Ill., provides members and non-members of the association with a three-day program of educational lectures and discussion groups. Lecturers for this year's event were:

Dr. J. Raymond, Sr., and associates of the firm of Raymond, Fletcher and Dillon, Chicago; Dr. Robert S. Smith, professor, Cornell University.

The IAAI, to which Brusatti has belonged for three years, is a professional association currently lobbying for licensure of accountants other than CPAs in the state of Illinois, and dedicated to the continuing education so important to its 950 members. All members were kept up to date on legal and tax changes which effect the profession of accounting and their clients, officials.

SLIGHTLY IN OCTOBER
Domestic raw steel production declined slightly during October after rising for two months in a row, new statistics showed this week.

Mills in this country poured 2,400 tons of steel in October, a decrease of 81,000 tons from September's 9,295,000-ton output total.
